**Ombre effect is worked in the following way:**

Work 4 rnd of the net with Color 1

Change 1 strand to Color 2, so you are now working with 1 strand of color 1 and one strand of color 2.  
Work 2 rnds.

Change so you are now working with 2 strands of color 2. Work 4 rnds.

Change 1 strand to Color 3, so you are now working with 1 strand of color 2 and one strand of color 3.  
Work 2 rnds.

Change so you are now working with 2 strands of color 3. Work 4 rnds.

Change 1 strand to Color 4, so you are now working with 1 strand of color 3 and one strand of color 4.  
Work 2 rnds.

Change so you are now working with 2 strands of color 4. Work 3 rnds.

**Work the net pattern as follows:**

1. This is the end of the base with the final sl st.

2. Ch 5.

3. skip 1 st, and work 1 sc in the next st.

4. Ch 5.

5. skip 1 st, and work 1 sc in the next st.

6. Repeat to the end of the rnd, so now you have 36 ch- loops around your base.

7. Work 3 sl st along the first ch-loop, so you are starting in the middle of it.

8. Ch 5.

9. In the next ch loop. (Where the needle is pointing)

10. Work 1 sc.

11. Ch 5.

12. In the next ch loop. (Where the needle is pointing)

13. Work 1 sc.

14. Repeat to the end of the rnd. End with 1 sc in the first ch-loop that you started the row with.

15. Now you are ready for the next rnd. Ch 5.

16. Work 1 sc into the next ch-loop. Repeat to the end of the rnd and continue until you have a total of 4 rnds with Color 1.

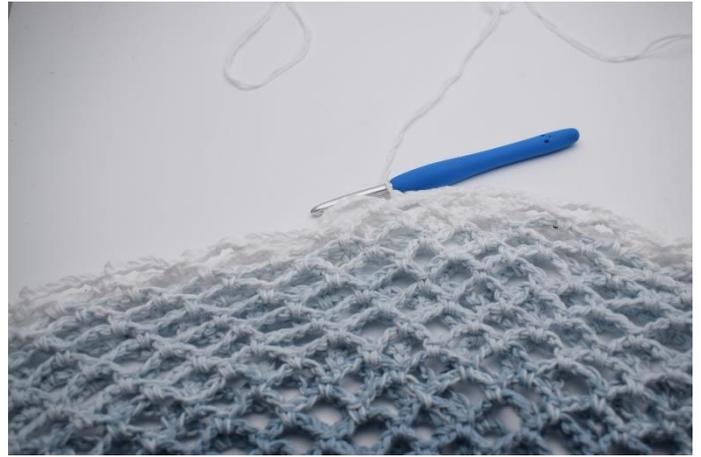

17. This is the end of the 4th rnd with color 1.

18. Change 1 strand to Color 2, so you are now working with 1 strand of color 1 and one strand of color 2. Ch 5 with the new color.

19. Work 1 sc into the next ch-loop. Repeat to the end of the rnd and continue until you have a total of 2 rnds with Color 1 & 2. Then change to color 2 and work 4 rnds with it. Continue in this manner as described in the ombre effect section.

20. Now you have worked a total of 20 rnds and the last 2 rnds are with Color 4.

21. Work 1 more rnd with Color 4. This rnd is worked similar to the previous rnds, but only with a ch 4 instead of the ch 5 as before.

Now you can work the edge and the handle as follows:

1. In each ch-loop, work 4 sc.

2. Like this. Repeat in the next ch-loop and continue to the end of the rnd.

3. End with a sl st in the first sc. Now you have a total of 144 sc.

4. Ch 1, and work 1 rnd of sc. End with a sl st.

5. Now work the rnd with the handle. Ch 1 and work 1 sc in the next 52 sts. Ch 75. Skip the next 20 sts

6. Work 1 sc in the next st.

7. Work 1 sc in the next 51 sts. Ch 75. Skip the next 20 sts and end where the rnd began.

8. End with a sl st.

9. Ch 1 and work 1 rnd of sc in the sides and handle. Repeat 2 times or until you reach the desired width of your handles..

10. Weave in the ends and now your beach bag is ready to use! 😊

Enjoy! 😊
