Measurements: Approx 10 x 7 inches

Supplies: Approx. 250-270g

Abbreviations:

Ch: Chain

St: Stitch

Sc: Single crochet

Lsc: Long single crochet

Sl st: Slip stitch

Changing the size:

If you would like a larger sleeve, just add chains until you've reached the desired width, or add rows for extra height.

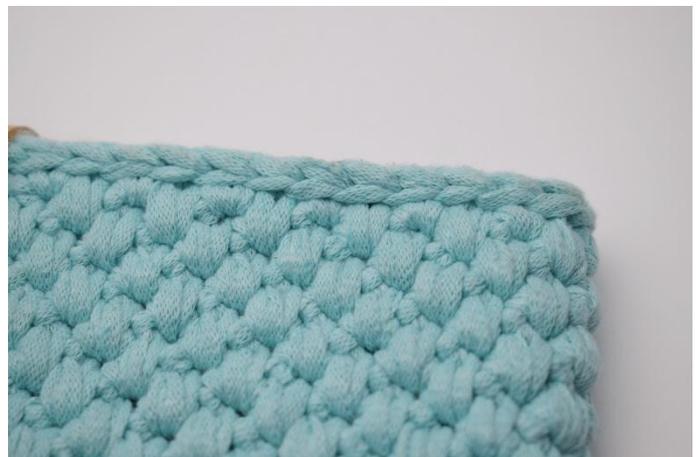

Pattern:

-See the end of the pattern for a picture guide.

-You'll be working in a spiral, so rounds don't need to be finished with st st 1 or started with ch 1.

1. Ch 27. In 2nd ch from your hook, sc 2. Sc 1 in the next 24 ch. Sc 4 in the last ch. Now crochet into the other side of your ch row. Sc 1 in the next 24 ch. Only sc 1 in the last stitch as we need an uneven number of stitches. (55)
2. SC all round. (55)
3. Repeat "sc 1, lsc 1" all round. Finish with sc 1. (55)
4. Repeat "lsc 1, sc 1" all round. Finish with lsc 1. (55)

Repeat rounds 3 and 4 until you have a total of 24 rounds. Finish with 1 row sc and then 1 row sl st.

Cut a leather strap to the desired size. Make 4 holes in one end and sew it on to the back with a cross as show in the picture below.

Make 1 hole in the middle of the other end of the strap so you can fasten on the clasp magnet. Then attach the other half of the clasp to the front of the sleeve so it matches with the length of the leather strap.

I've sewn over the clasp on the inside so it doesn't touch the Ipad.

Guide:

1. Start with your chain.

2. In the 2nd ch from the hook (marked here by the needle)

3. Sc 2.

4. Sc 1 in the next 24 ch.

5. In last ch sc 4.

6. Now crochet into the other side of your ch row. Sc in the next 24 ch.

7. In last ch (as marked here by the needle)

8. Sc 1. (55)

9. Sc 1 round.

Pattern - Guide:

1. Now repeat "sc 1, lsc 1" all round. Last stitch made in picture above is sc 1.

2. Now it's time for lsc 1. You make this stitch below where you would normally put your sc. The needle here shows where to put your sc to make it a long sc.

3. Like this - You've now made 1 sc and 1 lsc.

4. Place the next sc like normal in the next st.

5. Like this.

6. Now make another lsc. The needle here shows where to put your sc to make it a long sc.

7. Repeat this all round and finish with sc 1.

8. Next round repeat "1sc1, sc 1".

9. The needle here shows where to put your next sc to make it a long sc.

10. Like this.

11. Place the next sc like normal in the next st.

12. Repeat all rounds like this.

Enjoy ☺
