Pattern – Please view the visual guide at the end of the pattern:

Knit with double thread = 2 strands of yarn

Cast on with square

Start with a small square, like this: cast on 3 stitches and knit 6 rows knitwise.

Don't turn your work, but cast on 3 stitches up along the left side = 6 s.

Don't turn your work, but cast on 3 s up along the left side = 9 s.

Don't turn your work, but cast on 3 s up along the left side = 12 s.

Divide the stitches on 4 double-pointed needles. Place a marker at the beginning of the rnd.

Knit the base in the round in garter stitch, like this:

1. rnd (purl-rnd): Work all stitches purlwise.

2. rnd (knit-rnd): (k2, 1 increase) repeat until the end of the rnd = 6 increases = 18 stitches.

3. rnd every purl-rnd: Work all stitches purlwise.

4. rnd (knit-rnd): (k3, 1 increase) repeat until the end of the rnd = 6 increases = 24 stitches.

Continue like this, with 1 stitch more between the increases on every knit-rnd until you have 19 stitches between the increases = 6 x 20 stitches = 120 stitches, and the base measures 7.1 inches (18 cm) in diameter. Place a marker at the start of the rnd.

The side of the bag:

Knit garter stitches straight up until the side measures 6.3 inches (16 cm) from the last rnd with the increases.

Handle:

1. rnd: Knit 21 stitches, bind off 18 stitches, continue knitting until you have 39 stitches left on the rnd, bind off 18 stitches, work the rest of the rnd.

2. rnd: Continue knitting till you reach the bind off, cast on 18 stitches by using a knitted cast-on technique, continue knitting until you reach the other bind off, cast on 18 stitches by using the knitted cast-on technique, work the rest of the rnd.

Knit in the round in garter stitches until the handle measures 0.98 inches (2½ cm).

Bind off and weave in the ends.

3. Don't turn your work, but cast on 3 stitches = 9 stitches.

4. Don't turn your work, but cast on 3 stitches = 12 stitches.
