Beard:

- Use Twist yarn

Cut 2.4 x 7.9 inches (6 x 20 cm) Twist yarn. Fold it in the middle so it is double.

Insert the yarn between round 10 and 11 as shown below:

1. Pull the yarn through a stitch.

2. Pull half of the yarn through so you have a double strand of yarn on each side of the stitch.

3. Repeat these instructions in the stitch next to the stitch you just worked in.

4. Like this.

5. Repeat this procedure in 6 stitches in total.

6. Comb the yarn lightly, if you like, so the beard gets a woollen look.
