Abbreviations

s: stitch

rnd: round

p: purl stitch

Garage stitch, knitted in the round:

Alternately, work 1 rnd knitwise and 1 rnd purlwise

Slip 1 stitch purlwise:

Insert the needle in the stitch, from right to left, and place it on the right needle without knitting it.

Pattern – Please see the visual how-to-guides at the end of the pattern:

The base:

Cast on 15 (19) stitches.

Work back and forth knitwise until you have 14 (18) "ridges" on each side of the work.

The base measures approx. 3.9 (5.12) inches (10 (13) cm).

Now you knit the stitches up along the base like this:

1. side: Do not turn your work, but work 13 (17) stitches up along the left side = 28 (36) stitches.

Note: Possibly use a crochet hook without a shaft to knit up the stitches. Move the stitches onto the double pointed knitting needle as you go.

2. side: Do not turn your work, but work 15 (19) stitches up along the edge.

3. side: Do not turn your work, but work 13 (17) stitches up along the left side = 56 (72) stitches in total.

Place a marker around the 1st stitch, skip 13 (17) stitches (place a marker around the next stitch, skip 13 (17) stitches) 3 times = 4 markers.

Change to circular knitting needle 15.75 inches (40 cm) or 23.6 inches (60 cm) if the double pointed needles are too short.

Continue working in the round knitwise like this:

1. round: (Slip 1 stitch purlwise, work 13 (17) stitches purlwise) till the end of the round.

2. round: Work every stitch knitwise.

Repeat these 2 rounds until you have worked 4.7 (5.5) inches (12 (14) cm) from the base.

Finish with 1 round of purl stitches.

Fold:

Turn the wrong side of the work outward.

1. round: (work 13 (17) stitches purlwise, slip 1 stitch purlwise) throughout the round.

2. round: Work every stitch knitwise.

Repeat these 2 rounds until you have worked 6.3 (7.1) inches (16 (18) cm) from the base.

Finish with 1 round of purl stitches. Cast off. Weave in the ends.

Turn the right side of your work outward and fold the edge.

Basket with no fold.

Basket with a folded edge.

Instructions – piece of advice – Using a crochet hook, knit up stitches around the edges

1. Insert the needle between the ridges, place the hook over the yarn and pull back.

2. Move the stitches onto the double pointed needle as you go.

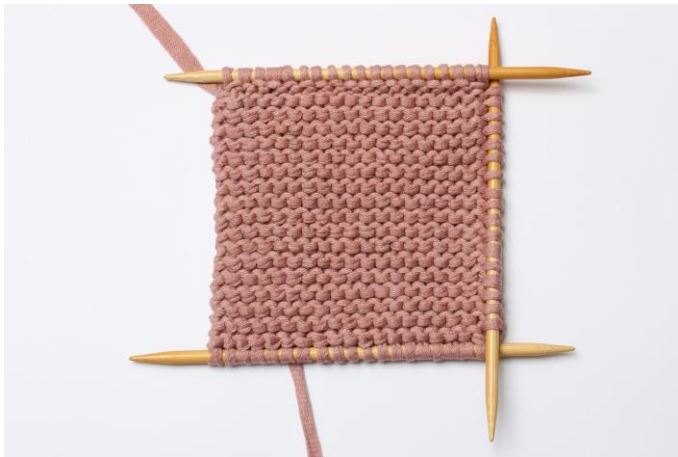

Instructions- Knit up stitches around the edges

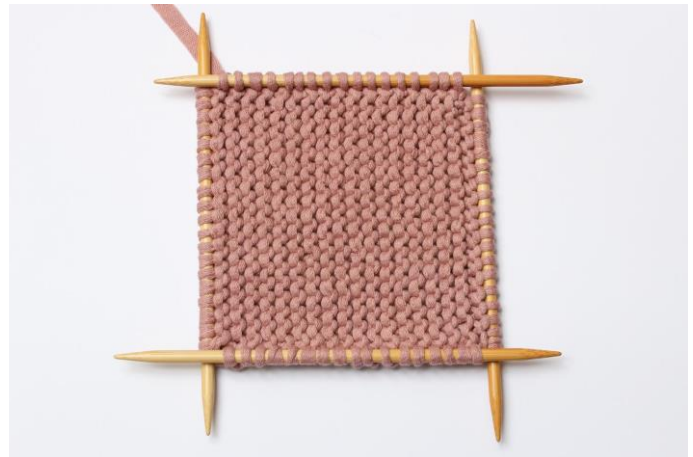

19 stitches on the 1st needle.

17 stitches on the 2nd needle.

19 stitches on the 3rd needle.

17 stitches on the 4th needle. Continue in the round with knit stitches.

Happy knitting ☺
