Repeat row 8. to 11. until the shawl measures approx. 31.5 inches (80 cm) at the middle stitch.

Note: we used approx. 1-1.2 oz (30-35 g) of yarn for the edge and binding off.

Bottom edge

Knit 6 rows and continue increases on the right side as previous.

Bind off loosely in knit stitch while you increase as previous.

Tassel

We used approx. 0.3 oz (8 g) of yarn for the tassel.

Take a piece of cardboard that measures approx. 2.8 inches (7 cm) wide.

Wrap the yarn around the cardboard until you have a good amount (thick layer of yarn).

Wrap a yarn end of approx. 9.84 inches (25 cm) around the top of the yarn on the other side of the cardboard and tie a few knots, not too tight. The knot is tightened later on. Remove the cardboard.

Twist a yarn end around the yarn 0.39-0.79 inches (1-2 cm) from the knot and tie a couple of knots.

Pull the ends and hide them inside the tassel.

Cut the opposite end of the knot. Loosen the knot in the top and tie a couple of knots tight around the yarn. Sew the tassel on to the tip of the shawl.
