Crochet an edge of single crochets around both pieces. In each corner, work 3 single crochets. Finish with a ss. Cut the yarn and weave in ends.

Place the cushion pieces on top of each other, wrong side against wrong side, and crochet the pieces together like this:

Start 1.96 inches (5 cm) from a corner. Insert your crochet hook through 1 loop of each piece and crochet them together with a single crochet.

Crochet all the way around and remember to insert the cushion filling before you work your last crochet stitches.

Sew a button on each side at the middle of the pillow.
