Repeat rnds 9 og 10 a total of 4 times for the small basket and 6 times for the large basket. Or until you have reached the desired height of your basket.

Cut your leather strap so you have 1 piece that is 3" and another that is 2 ½". Punch a hole in each end for the rivets and attach to the baskets as shown in the picture.

Photo Tutorial:

1. This is what the base looks like when completed.

2. Ch 1. Work 1 rnd of sc in the BL. The needle indicates where to insert the hook.

3. End with a sl st.

4. Now begin working in a spiral. Work 1 rnd of sc.

5. Now you will work 1 rnd of long-sc. This is like working a regular sc but into the row below where you would normally work. The needle indicates where to insert the hook.

6. Like this. You now have 1 long-sc.

7. Repeat for the next st. The needle indicates where to insert the hook

8. Like this. You now have 2 long-sc sts.

9. Repeat to the end of the rnd.

10. On the next rnd work sc as you normally would.

11. Repeat the rnd of long-sc.

12. Continue as instructed in the pattern.

13. End with 1 rnd of sl sts.

14. Cut your leather strap so you have 1 piece that is 3" and another that is 2 1/2". Punch a hole in each end for the rivets.
