Pattern guide:

1. Your bottom has just been finished and now the sides should be made using alternately lsc and sc. This is done in the following way:
A lsc is worked like a regular sc but in the stitch below. Here the needle marks where to work your lsc.
2. There. Now 1 lsc has been made.

3. Work 1 regular sc in the next st.

4. Like this.

5. Next st is another lsc. It is worked like a regular sc, but in the stitch below (here the needle marks where to work your lsc).

6. Like this.

7. Work 1 regular sc in the next st.

8. Like this.

9. Repeat around and finish with 1 lsc.

10. When working the next round, work opposite, so you start the round with 1 sc followed by 1 lsc. I.e., you work sc in lsc from previous round, and lsc in sc from previous round. Repeat the 2 rounds like this as described in the pattern.
