Crochet gauge:

12 stitches x 10 rows = 4 x 4 inches (10 x 10 cm)
prior to felting

Amount of yarn needed: approx. 3.9 oz. (110g)
per clutch

Pattern:

Start by chaining 39.

1. In the 2nd ch stitch from the hook work 1 hdc. Work hdc in each stitch till the end of the row (38)
2. Turn by chaining 1. Work hdc till the end of the row (38)

Repeat row 2 44 times in total. Cut the yarn and weave in the ends.

Assembly instructions:

1. This is how your final work should look like.

2. Fold the bottom section up to the middle (approx. 16 rows).

3. Now, sew the sides together. Repeat at the other side as well.

4. The pieces are now sewn together in both sides of the clutch

5. It is now ready to be washed (felted).

Felting:

NOTE: Felting varies a lot from machine to machine.

Machine wash the clutch using a regular setting at 104°F (40°C). (Don't use a fast/quick setting). If the bag is not felted enough, you can wash it one more time. I have washed the makeup bag at 104°F (40°C) at a duration of 60 minutes. Stretch out / shape the bag to your satisfaction while it is still wet. Let it dry.

Attaching the accessories:

1. Stretch the clutch / shape it, while it is still wet, until you are satisfied with its look.

2. Let it dry

3. Sew the 2-part magnetic button onto the clutch as shown in the picture.

4. On the front of clutch, I have chosen a jewelry button as decoration.

5. Both the wrist strap and the chain have a d-ring included. Sew the d-ring onto the inside of the clutch.

6. Now, you can attach a wrist strap or a chain.

Happy crocheting ☺
