Felting:

Felting can vary from one machine to another.

Wash the purse in the washing machine at 60 degrees on a normal wash (Not quick or short wash). If you don't think it's felted enough, then give it another wash. This one has been given a normal wash at 60 degrees (60 minute wash at 1400 revolutions per minute). Straighten it out and shape as you wish while it's still wet. Leave to dry.

After felting:

Enjoy ☺
