Two-colored fisherman's rib

Knit back and forth in the round.

Main needle: (cast on, 1 slip stitch purlwise, k1)

The first stitch is an edge stitch and the last stitch is a knit stitch.

Turn or move the work to the opposite needle tip where the other yarn color is.

Work alternately 1 round of each color.

Alternately, work 2 rounds together knitwise and 2 rounds together purlwise.

PATTERN - SCARF

Cast on 34 stitches in color A on the circular needle, and work back and forth.

Change to color B and work the main round: k1, (yon, 1 slip stitch purlwise, k1) until you have 1 st left, k1.

Continue in two-colored fisherman's rib:

1. row: Color A, 1 edge stitch, (yon, work 1 slip stitch purlwise, work st/yon purlwise tog) until you have 1 st left, k1.

2. row: **Color B**, 1 edge stitch, (yon, work 1 slip stitch purlwise, work st/yon tog) until you have 1 st left, k1.

3. row: Color A, 1 edge stitch, (work st/yon knitwise tog, yon, work 1 slip stitch purlwise) until you have 1 st left, k1.

4. row: Color B, 1 edge stitch, (work st/yon knitwise tog, yon, work 1 slip stitch purlwise) until you have 1 st left, k1.

Repeat these 4 rows.

Work straight until you are almost out of yarn, approx. 85 inches (215 cm).

Bind off in rib.

PATTERN - HAT

The hat is worked in the round, top down in stockinette stitch. The ribbed edge is also worked in the round, but in two-colored fisherman's rib.

Cast on 8 stitches with color A. Divide the stitches on 4 needles (or knit magic loop on circular needle) and work in the round.

Start increases.

1. Round: *k1, make 1 st*. Repeat *-* till the end of the round = make 8 stitches = 16 stitches.
2. Round: Knit all stitches.
3. Round: *yon, knit 2*. Repeat *-* till the end of the round = 24 stitches.
4. Round: knit all stitches.
5. Round: *yon, k 3*. Repeat *-* till the end of the round = 32 stitches.
6. Round: Knit all stitches.

Continue like this until you have increased 8 (9) 10 times = 72 (80) 88 stitches on the round.

Continue in the round in stockinette stitch until your work measures: 6.7, 7.1, 7.5 inches (17 (18) 19 cm) in diameter.

Decrease like this in the next round:

Size small: work *k7, k2tog*. Repeat *-* till the end of the round = 64 stitches.

Size m: work *k8, k2tog*. Repeat *-* till the end of the round = 70 stitches.

Size L: work *k8, k2tog*. Repeat *-* 10 times, work till the end of the round = 78 stitches.

Continue with the two-colored fisherman's rib in the edge.

Edge

The edge is worked in fisherman's rib with the wrong side outward, so the one-colored yarn is the most visible on "the right side" when the edge is folded.

Work the first main round in fisherman's rib like this:

Color A, *yon, 1 slip stitch purlwise, k1*. Repeat *-* till the end of the round.

Two-colored fisherman's rib:

1. Round: color A, *p1, yon, 1 slip stitch purlwise*. Repeat till the end of the round.

2. Round: color B, *yon, 1 slip stitch purlwise, k1*. Repeat till the end of the round.

Repeat these 2 rounds until the edge measures 4-5 inches (10-12 cm)

Bind off in rib in color A.

Enjoy!
