PATTERN

CO 30 sts holding 2 strands of dark green and

Work in seed stitch until the piece measures 6 inches.

Knit the red corner as follows:

1. Row: 23 sts in green and 7 sts in red.

2. Row: 7 sts in red and 23 sts in dark green- twist colors around each other to secure when changing colors.

Continue in this manner until the piece measures 8 inches, ending with row 2.

Bind off 22 sts of dark green, work the last green st with red and bind off the rest of the sts in red.

Switch to the crochet hook and work 3 ½" of chain sts. Cut yarn and sew to form a loop at the corner. Weave in the ends.

Make a second potholder in the opposite color scheme.

Enjoy ☺
