Wash in a machine on hot cycle in order to felt.

## Abbreviation of increase stitch

**M1:** From the front, lift loop between stitches with left needle, knit into back of loop.

### Starting Square

Begin by creating a small square as follows:

CO 3 sts and knit 6 rows.

After the 6<sup>th</sup> row, do not turn, pick up 3 sts on a new DPN along the left side. = 6 sts

Do not turn, pick up 3 sts on a new DPN on the left side = 9 sts.

Do not turn, pick up 3 sts on a new DPN on the left side = 12 sts.

Place a marker at the beginning of the round.

### Knit the base in garter stitch in the round as follows:

Round 1 (WS): Purl all sts.

Round 2 (RS): (k2, m1) repeat across all sts = 6 sts increased = 18 sts.

Round 3 and all WS rounds: Purl all sts.

Round 4 (RS): (k3, m1) repeat across all sts = 6 sts increased = 24 sts.

Continue in this manner with 1 more sts between increases on each RS round until there are 144 sts.

Place a marker to show the beginning round of the sides.

### Sides of the basket

Knit in garter st evenly until the sides measure 7 ½ inches from the last increasing round.

Bind off.

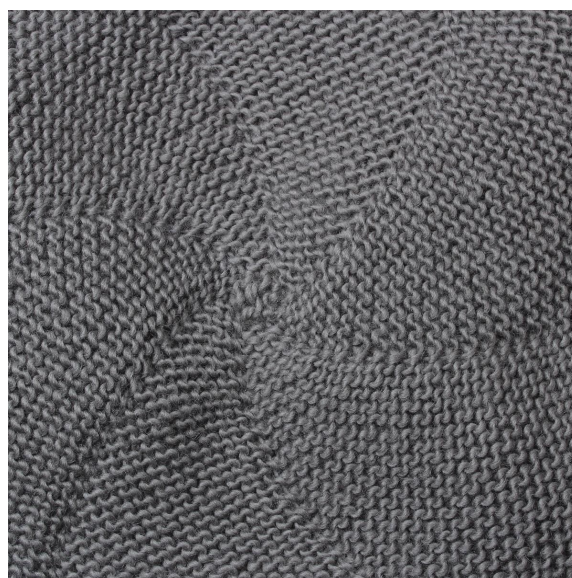

Wash in a machine on hot cycle to felt.

Enjoy!
