### Abbreviations:

**Ch:** Chain

**st :** stitch

**sc :** Single crochet

**dc:** Double Crochet

**tr:** Triple Crochet

**Guidance:** The photo tutorial here can be used along with a video tutorial found here:

<https://youtu.be/Plp7zqegy6o>

-1dc cluster is 3dcs in the same stitch.

**Row 1:**

1. Ch 6, and join with a slip stitch to make a ring.

2. Ch 5.

3. Crochet 3 dc into the ring.

4. Ch 3.

5. Crochet 3 dc into the ring.

6. Ch 1 and crochet 1 tr into the ring.

**Row 2:**

7. Ch 5 and turn the work.

8. The next cluster is made in the ch-space shown by the needle.

9. Crochet 1 dc cluster.

10. Ch 1. The next cluster is made in the ch-space shown by the needle.

11. Crochet 1 dc cluster.

12. Ch 3. You will crochet into the same ch-space as before.

13. Crochet 1 dc cluster.

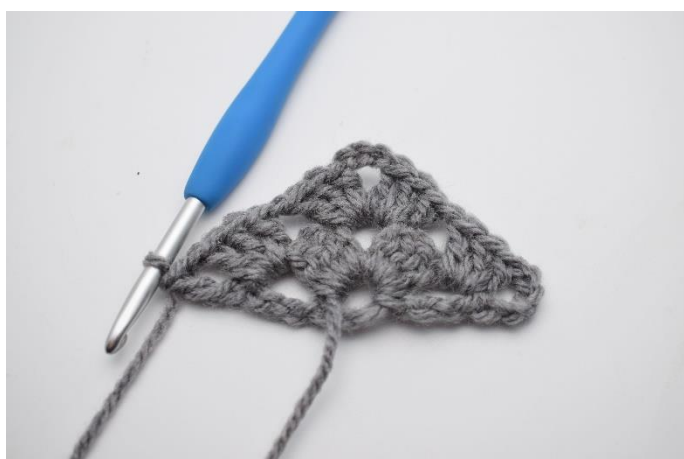

14. Ch 1. The next cluster is made in the ch-space shown by the needle.

15. Crochet 1 dc cluster.

16. Ch 1. The needle now shows the 4<sup>th</sup> chain in the previous row.

17. Crochet 1 tr in the 4<sup>th</sup> chain from the previous row.

**Row 3:**

18. Ch 5 and turn the work.

19. The next cluster is made in the ch-space shown by the needle.

20. Crochet 1 dc cluster.

21. Ch 1. The next cluster is made in the ch-space shown by the needle.

22. Crochet 1 dc cluster.

23. Ch 1. The next cluster is made in the ch-space shown by the needle

24. Crochet 1 dc cluster, ch 3, 1 dc cluster in the ch-space.

25. Ch 1. The next cluster is made in the ch-space shown by the needle

26. Crochet 1 dc cluster.

27. Ch 1. The next cluster is made in the ch-space shown by the needle

28. Crochet 1 dc cluster.

29. Ch 1 and crochet 1 tr in the 4<sup>th</sup> ch from the previous row.

Continue in this pattern for 46 rows or until you reach the desired size of your shawl.

”Ch 5, \*crochet 1 dc cluster in each ch-space, ch 1\* until you reach the tip of the scarf.

Crochet 1 dc cluster, ch 3, 1 dc cluster.

\*ch 1 and 1 dc cluster in each ch-space\* until you reach the last ch-space.

ch 1 and crochet 1 tr in the 4<sup>th</sup> chain from the previous row.”

Enjoy! 😊

Best Regards, Hobbii.com
