Feelers

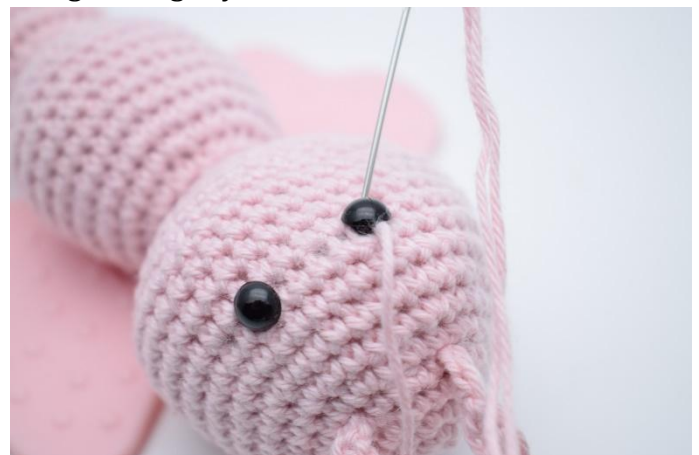

Make 2.

Ch 15. Sl st 1 in the 2nd ch from the hook. Sl st the rest of the row. Leave a long end for sewing on the feeler. Tie a knot at the top of the feelers. Sew them on between row 4 and 5 with a gap of 4 stitches between the two.

Face:

If you wish you can make indentations under the eyes by pulling a thread out one side of the eye and back in on the other side. Repeat on the other eye and tighten lightly. Fasten off and weave in ends.

If you like, embroider a mouth and add a little “flush” to the cheeks with some makeup.
