Pattern information:

This dress is worked bottom up. The skirt is worked in the round in stockinette stitch with 2 strands, which are taken from inside and outside the yarn ball. The yoke is worked with a single strand and decreases.

Skirt

CO 152 (166) 180 stitches on circular needle size 5 mm / US8 and 2 strands, use 1 strand from the outside and 1 strand from inside the ball.

Work in the round in stockinette stitch until piece measures 28 (31) 35 cm.

Switch to circular needle size 2,5 mm / US1,5 and a single strand and continue in stockinette stitch. Work 2 rounds in stockinette stitch. Insert a marker in each side of the piece.

Armholes: work in stockinette st until 3 stitches before the first marker, bind off 6 stitches loosely and continue in stockinette st until 3 stitches before second marker, bind off 6 stitches loosely.

Sleeves: work until cast off stitches, CO 50 (55) 60 new stitches. Continue working until bind off stitches on the other side and CO 50 (55) 60 new stitches = 240 (264) 288 stitches. Insert a marker in the middle of each sleeve.

Yoke

Work 2 rounds in stockinette st and finish 1 stitch before the marker for the first sleeve.

Begin decreasing as follows: *k2tog, k 18 (20) 22 st*, repeat from * to * on entire round = 12 stitches decreased.

Continue like this but work 1 stitch less in between the decreases in every 3rd and 4th round until you have 120 stitches. Bind off all stitches very loosely in k st.

Enjoy!
