

"C2C" Cushion - Mix - Cotton

No. 1001-191-9060

Materials:

Rainbow Cotton 8/4 – Double thread Crochet hook size E/4 (3,5 mm) Cushion (as filling) 16.5 x 16.5 inches (42x42 cm)

Buy yarn and supplies here:

http://shop.hobbii.com/c2c-cushion-mix-cotton

Gauge:

Approx. 8 squares x 8 squares= 4x4 inches (10 x 10 cm)

Usage approx.:

color A: 8.1 oz. (230g) (5 skeins) **color B:** 8.1 oz. (230g) (5 skeins)

Abbreviations:

s: stitch

Ss: slip stitch

ch: chain stitch

hdc: half double crochet

sc single crochet

Pattern information:

"C2C" – Corner to corner is worked in chain stitches, half double crochet stitches and slip stitches.

As the name indicates, the pattern is worked from one corner to the other.

"C2C" consists of small "squares". For each row you crochet a new "square" will appear, so your work increases as you go. It is the same when we decrease: you will get 1 "square" less for each row you work.

NOTE: The cushion is worked in a double thread.

The front and back are worked in the same way. Crochet the two pieces which you join in the end.

Pattern:

1. **With col. A.** Ch 5. In the 3rd ch s from the hook, work 1 hdc. Work 1 hdc in the next 2 ch s. Now you have a "square".

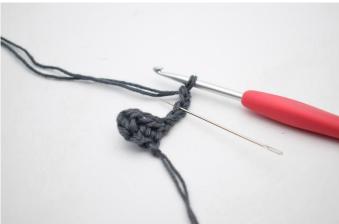

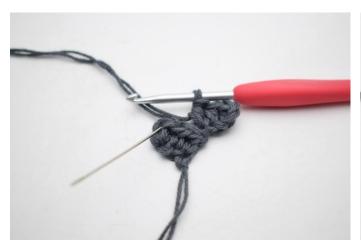

2. Turn your work, and ch 5. In the 3rd ch s from the hook, work 1 hdc. Work 1 hdc in the next 2 ch s. Work 1 ss in the left corner of the first "square" on the first row. Now, you have 1 "square".

Ch 2 (replaces 1 hdc). Work 3 hdc in the same "hole" that you just worked your ss in, and ch 2. Now, you have one more "square". And you now have 2 "squares" on your row.

3. Turn your work by chaining 5. In the 3rd ch s from the hook, work 1 hdc. Work 1 hdc in the next $2\ \text{ch}$ s.

Work 1 ss in the left corner of the first "square" on the previous row. Now, you have 1 "square".

Ch 2 (replaces 1 hdc). Work 3 hdc in the same "hole" that you just worked your ss in, and work 2 ch s. Work 1 ss in the left corner of the 2nd "square" on the previous row. Now, you have made 1 "square". And now, you have 2 "squares" on your row.

Ch 2 (replaces 1 hdc). Work 3 hdc in the same "hole" that you just worked your ss in, and work 2 ch s. Now, you have made 1 "square". And now, you have 3 "squares" on your row.

4. – 32. Repeat the rows until you have 32 "squares".

The cushion shouldn't become any bigger, so now you start decreasing on both sides. A decrease is made by working ss up along the side (instead of turning by chaining 5 as we have done so far). Please view the how-to-guide below:

33. Turn your work. Work ss up along the side on the first "square". **Change to col. B.** Work 2 ch stitches (replaces 1 hdc). Work 3 hdc. Work 1 ss in the top corner on the "square" next to

Work the row as you normally would until you reach the last "square". Here, you work a sc in the top of the last "square".

Now, you have 1 less "square" on this row.

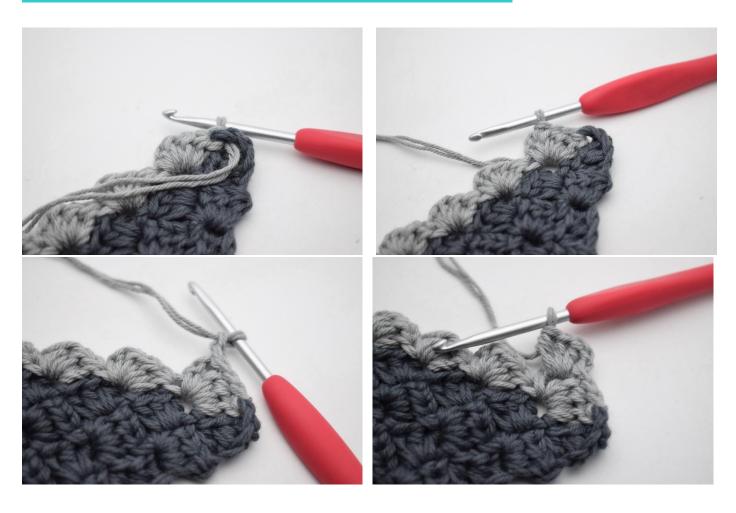

34. Turn your work. Work 1 ss up along the side of the first "square". Ch 2 (replaces 1 hdc). Work 3 hdc. Work 1 ss in the top corner on the "square" next to it. Work the row as you normally would until you reach the last "square".

Now, you have 1 "square" less on this row.

35. – 63 Repeat decreasing until you have 1 "square" left. Turn your work and work 1 ss along the edge of the last "square". Cut the yarn and weave in ends.

Assembly:

1. Place the pieces on top of each other.

2. Start assembling with col. A in the corner where col. A and B meet. Pull the yarn up between 2 "squares".

3. Ch 2.

4. Work 1 sc in the corner.

5. Ch 2.

6. Work 1 sc between the next 2 "squares".

7. Repeat this around the cushion until you reach the next corner where col. A and B meet. Then you change to col. B.

8. Like this.

Continue around the cushion with col. A.

10. Insert the cushion (the filling) before you close it completely.

11. Continue all the way around. Finish with 1 ss. 12. Cut the yarn and weave in ends.

Happy crocheting! 😉
