Headband

Using double thread cast on 16 stitches.

On every row slip the first stitch loosely = edging stitch.

1st row: Slip 1 stitch loosely, *knit 2, purl 2*, repeat from * to * the remainder of the row, finish with knit 1.

2nd row: Slip 1 stitch loosely, *purl 2, knit 2*, repeat from * to * the remainder of the row, finish with knit 1.

Knit rows 1 and 2 a total of 8 times = 1st sequence.

Then knit:

1st row: Slip 1 stitch loosely, *purl 2, knit 2*, repeat from * to * the remainder of the row, finish with knit 1.

2d row: Slip 1 stitch loosely, *knit 2, purl 2*, repeat from * to * the remainder of the row, finish with knit 1.

Knit rows 1 and 2 a total of 8 times = 2nd sequence.

Repeat these 16 rows until your work measures approx. 20 inches and you've knitted 14 sequences.

Cast off.

Sew together the cast on and cast off edge.

Enjoy!
