Pillow form 12 x 20 in.

Finished Measurements

Width: 28 cm

Length: 48 cm

Fits a pillow sized 12 x 20 in.

Gauge

22 sts per 4"

28 rows per 4"

Pattern information

The pillow is knit in the round on a circular needle using the magic loop technique.

The project starts with a figure-8 cast on and is finished with a 3 needle bind off. The pillow form is placed inside cover before the bind off.

The project uses the fair isle color work technique.

Pillow Cover

CO 120 sts using a figure-8 cast on method on the circular needles and knit in the round following the chart below.

Place a marker after 60 sts = halfway point

Follow chart 1 for the first 60 sts and chart 2 for the last 60 sts.

Weave in the ends

Bind off with a 3 needle bind off method.

Happy knitting!
