Photo Tutorial:

1. This is what the base looks like when completed.

2. Work 1 rnd of sc in the BL. The needle indicates where to insert the hook.

3. Like this.

4. Repeat to the end of the rnd.

5. Work 1 rnd of sc.

6. Now you will begin the pattern with alternating sc and long-sc. Work 1 long-sc. This means working a regular sc but into the row below where you would normally work. The needle indicates where to insert the hook.

1. Like this. You now have 1 long-sc.

2. Work 1 regular sc in the next st.

3. Work 1 long-sc. The needle indicates where to insert the hook.

4. Like this.

5. Work 1 regular sc in the next st. Work "1 long-sc, 1 sc" to the end of the rnd.

6. End with 1 long-sc. This was the first rnd.

7. On the next rnd work "1 sc, 1 long-sc".

8. The needle indicates where to insert the hook for the long-sc.

9. Like this.

10. Now work 1 sc in the next st.

11. work "1 sc, 1 long-sc" to the end of the rnd.
End with 1 sc.

12. Continue alternating these rows as instructed
in the pattern. The last 3 rnds are worked in
White. End with 1 rnd of sl st.

13. Cut the yarn and weave in the ends.

Enjoy! ☺
