Indentation at the eyes:

1. If you wish to shape the face and make indentations at the eyes, then it is done this way: Use Vintage and pull the thread up through the head,

2. and out at the right side of one of the eyes, and down again on the other side of the eye.

3. Pull the thread over to the other side of the second eye, and down again at the other side of the eye.

4. Now, pull the thread down through the head again.

5. Pull the two ends slightly to tighten the thread until you have the indentations you wish. Tie a knot.

Embroider a nose using black thread as shown in the picture below.
