Dips and snout

1. Using the same color as the body, pull a thread through the head and out on the right side of the eye.

2. Thread the needle back into the head on the left side of the eye and tighten lightly.

3. Pull slightly so that a small dip is created behind the eye.

4. Now, pull the thread up on the right side of the other eye.

5. And down again on the left side.

6. Tighten slightly so that the eyes are pulled in a bit and gives the bunny a cute look.

7. Embroider the snout as shown in the picture above. It was done over 4-5 sts.

Skirt: Using col. B
