### Stripes

On the body, work 3.5 inches (9 cm) in each color: A, B, C, D, E, and F. On the sleeves, work 4 inches (10 cm) in color: C, D, E, and F.

Continue increasing until you have 424 (456) 496 (528) stitches. Here you divide the work into sleeves and body.

From here, you divide the stitches for sleeves and body like this:

Place 94 (98) 106 (112) stitches on hold for a sleeve.

Knit over the next 118 (130) 142 (152) stitches.

Place 94 (98) 106 (112) stitches on hold for a sleeve.

Knit over the next 118 (130) 142 (152) stitches.

Knit in the round over the 236 (260) 284 (304) stitches of the body.

### Body

Continue straight up in stripes until your work measures 22 inches (56 cm), measured in the middle of the front.

**Rib selvedge:** Work 1.6 inches (4 cm) of rib edge. Bind off loosely.

### Sleeves

Place the 94 (98) 106 (112) sleeve stitches on double pointed needles.

Place a marker at the beginning of the round. Knit in the round in stockinette stitch and in stripes while making 1 decrease on each side of the marker like this:

Work until 3 stitches before the marker, knit 2 stitches together through the back loop, knit 2, work two stitches together knitwise = 2 decreases.

Decrease every 7th (7th) 6th (6th) round until you have 62 (66) 70 (74) stitches.

Knit straight up until the sleeve measures approx. 15 inches (38 cm) or until desired length.

**Rib selvedge:** Work 1.6 inches (4 cm) of rib \*knit 1, purl 1. Bind off loosely.

Work a second sleeve the same way.

Happy knitting!
