Headband

Cast on 20 stitches.

The first stitch is an edge stitch. All edge stitches are slipped.

1. row: ES, *k1, p1* - repeat until the end of the row.
2. row: ES, *p1, k1* - repeat until the end of the row.
3. row: ES, *k1, p1* - repeat until the end of the row.

= 1. segment

4. row: ES, *k1, p1* - repeat until the end of the row.
5. row: ES, *p1, k1* - repeat until the end of the row.
6. row: ES, *k1, p1* - repeat until the end of the row.

= 2. segment

Repeat these 6 rows until your work measures approx. 27.6 inches (70 cm)

Tie a knot in the middle of the headband and measure the length of the headband around your head to see if it fits.

Weave in the ends / attach the knot so the headband does not expand too much over time.

Bind off loosely and sew the ends together.

Happy knitting!
