About the pattern

The kitchen towel and dishcloth are worked in the flat.

Color order

Red
Orange
Yellow
Green
Blue
Purple

Elaboration

Knit 3 together (k3tog): Slip 2 stitches knitwise (as if you were to knit them), knit 1 stitch, pass over the loose stitches.

Pattern

Kitchen towel

Co 81 sts with the red yarn and knit 1 row.

Work in pattern and stripes like this:

Pattern row 1 (RS): Work 2 sts in 1 st, repeat *k8, k3tog, k8, inc1 (pick up the bar between the sts), k1, inc1* until 20 sts remain, k8, k3tog, k8, work 2 sts in 1 st = 81 sts.

Pattern row 2 (WS): K all sts.

Change colors every 22 rows. When all 6 colors are worked, the kitchen towel measures approx 14.2" / 36 cm.

Strap

At the middle of the kitchen towel, a strap is crocheted.

Chain 30 sts. Stitch them onto the kitchen towel where the strap begins. Turn the work and work 1 single crochet in each chain around the strap.

Dishcloth

Co 73 sts with the red yarn and knit 1 row.

Work in pattern and stripes like this:

Pattern row 1 (RS): Work 2 sts in 1 st, repeat *k7, k3tog, k7, inc1 (pick up the bar between the sts), k1, inc1* until 18 sts remain, k7, k3tog, k6, work 2 sts in 1 st, k1 = 73 sts.

Pattern row 2 (WS): K all sts.

Change colors every 10 rows. When all 6 colors are worked, the dishcloth measures approx 10.2" / 26 cm.

Do not cut off the yarn. Instead, place the last loop on the crochet hook.

Edge

Work single crochet sts along the even side.

Cut the yarn and weave in the end.

Do the same on the other side. Cut the yarn and weave in the end.

Happy knitting!
