Knitting gauge

20 sts x 34 rows = 10 cm in pattern

Pattern information

Start with double pointed needles. Switch to circular needles and work in the magic loop technique until there are enough sts to reach around the needle. Switch to a longer needle as the circumference increases.

Increases are worked by casting the yarn over the needle, then working it as a stitch on the next row. Every fourth row is purled.

Difficulty

Hard, because of the cast-on technique.
Aside from that, easy.

Enjoy!

Pattern instructions

Cast on 6 sts on 2 double pointed needles.
Work 8 rows of stockinette flat, the first row a purled row.

Continue with all 5 double pointed needles, working in the round.

Now you pick up sts along the work as such:

Pick up 6 sts along the left side of the work, 6 sts along the cast-on edge, and 6 sts along the right side ? 4 x 6 sts = 24 sts.

Here is the beginning of row. Place a marker.

Round 1: * yo, p6 *, repeat between ** until end out round = 4 yo's = 4 increases.

Round 2: * yo, k1, yo, k6 *, repeat between ** until end of round = 4 x 9 sts = 36 sts.

Round 3: Knit.

Round 4: * yo, k1, yo, k8 *, repeat between ** until end of round = 8 increases = 44 sts.

Place a marker **around** the st between increases (2nd st on every round) = 4 markers.

Switch to circular needle, 80 cm, and use the magic loop technique

Now, the pattern is worked along with increases:

Round 1: Purl.

Round 2: * k until marked st, yo, k1, yo *, repeat between ** until end of round.

Round 3: Knit.

Round 4: * k until marked st, yo, k1, yo *, repeat between ** until end of round.

Repeat these 4 rounds.

Switch to circular needles, 100cm/150cm as your blanket gets bigger.

When the work measures about 41 cm from the middle of the work, make 6 rounds of garter stitch (purl 1 round, knit 1 round, repeat twice more).

Continue the increases on every 2nd row. Bind off loosely and weave in ends.
