Pattern

Rib

CO 120 (132, 144) stitches with 2 strands of Highland Wool on circular needle size 7 mm (US10,75). Work 5 cm rib: knit 1, purl 1.

Body

Change to circular needle size 9 mm (US13) and 3 strands Kid Silk and increase in first round as follows:

Work *10 (11, 12) stitches knitwise, make 1 new stitch by picking up thread between stitches and work it knitwise TBL*, repeat from * to * on entire round = 12 stitches increased = 132 (144, 156) stitches.

Continue working in the round in stockinette stitch until piece measures 32 cm.

Insert a marker in each side = side markers = 66 (72, 78) stitches for the back- and front piece.

Here you separate the piece by making the armholes. Slip stitches from front piece on to a stitch holder or separate circular needle and work the back piece.
