Slip 3 stitches loosely with the yarn in front of your work on the wrong side and with the yarn behind your work on the right side.

Body

Front pieces and back

Rib edge

Cast on 148 (156, 164, 172) stitches on a circular needle US size 10 (6 mm) and knit 3.1 inches (8 cm) of rib *knit 1, purl 1*, back and forth on the circular needle. Switch to needle US size 11 (8 mm) and knit stockinette. Knit 7 inches (18 cm) straight up.

Place a marker in each side seam = 37 (39, 41, 43) stitches to the front piece, 74 (78, 82, 86) stitches to the back.

Start decreasing in the side seams.

Right side: Knit until 5 stitches before the marker, knit 2 together, knit 6, knit 2 stitches together through the back loops, knit until 3 stitches before the marker, knit 2 stitches together through the back loops, knit 6, knit 2 together, knit the rest of the needle = 4 decreases.

Knit straight up until your work measures 18.9 (20.9, 22.8, 24.8) inches (48 (53, 58, 63) cm). End with a right side round/row.

Divide for front pieces and back.

From the wrong side knit 29 (30, 31, 32) stitches, bind off 6 stitches, knit until you have 54 (56, 58, 60) stitches on the back, bind off 6 stitches, knit the rest of the needle = 29 (30, 31, 32) stitches.
