Pattern

Cast on 190 stitches on a circular knitting needle and knit back and forth in pattern like this:

1. row: knit
2. row: purl
3. row: knit
4. row: knit
5. row: purl
6. row: knit

Repeat these 6 rows until your work measures 9.8 inches (25 cm) = 90 rows. Bind off.

Assembly

Use 2 different colors of markers. For example: 2 blue and 4 yellow.

Place a blue marker in each corner of the cast on edge, and place a yellow marker 9.8 inches (25 cm) from each side = 4 markers.

Place a yellow marker in each corner of the bind off edge = 2 markers.

Fold your work like this:

- 1) Place your work with the wrong side facing you.

- 2) Fold one side (see picture)

3) Fold the other side over the previous folded piece, so the markers fit.

NOTE: Thus, a nec line is created. Join the 2 sides mid front.

Sew or crochet along the side from the yellow markers to the tip with the blue markers and lastly, continue to the other yellow markers.

Collar

Knit up approx. 90 stitches in the neckline by skipping every 10th stitch.

Knit in the round in pattern like this:

1. row: knit
2. row: knit
3. row: knit
4. row: purl
5. row: purl
6. row: purl

Repeat these 6 rows until your work measures 4" (10 cm) = 24 rows.

Knit 3 rounds of knit stitches.

Bind off loosely.
