About the pattern "C2C" – corner to corner is crocheted in chains, double crochets and slip stitches. As the name implies, the pattern is crocheted from one corner to the next. "C2C" consists of small "squares" that come from a new square on each crocheted row, so they are constantly increased. The same is valid when we decrease, where there will be 1 "square" less for each row that is crocheted.

Pattern/Instructions: - Crochet with Sultan Deluxe with a size 3 hook

Increase

1. Make 6 ch. In the 4th ch from the hook crochet 1 dc. Crochet 1 dc in the next 2 ch. You have now made 1 "square".

2. Turn and make 6 ch. In the 4th ch from the hook, crochet 1dc. Crochet 1 dc in the next 2 ch. Make 1 sl st in the left corner of the first "square" on the first row. Now you have made 1 "square".

Make 3 ch (replaces 1 dc). Crochet 3 dc in the same space that you have just made with your sl st and 3 ch. You have now made another 1 “square” and there are 2 squares in your row.

3. Turn your work with 6 ch. In the 4th ch from the hook crochet 1 dc. Crochet 1 dc in the next 2 ch.

Make 1 sl st in the left corner of the 1st “square” on the previous row. You have now made 1 “square”.

Make 3 ch (replaces 1 dc). Crochet 3 dc in the same space you just made with the sl st and 3 ch. Make 1 sl st in the left corner of the 2nd "square" of the previous row. You have now made another "square" and there are now 2 "squares" on your row.

Make 3 ch (replaces 1 dc). Crochet 3 dc in the same space that you have just made with the sl st and 3 ch. You have now made 1 “square” and there is now 3 “squares” on your row.

Repeat the rows until you have 59 squares or used half of your yarn.

Decrease

Now that the wrap is at the right breadth, we will decrease on both sides to make it an even square.

1. Turn your work. Sl st along the side of the first “square”. Make 3 ch (replaces 1 dc). Crochet 3 dc. Make 1 sl st in the upper corner of the “square” next to it.

Now crochet the row as normal until you reach the last "square".

When you reach the last "square" of the row, finish as such:

Make 1 sl st in the upper corner of the previous "square". There is now 1 "square" less on the row.

2. Turn your work. Crochet sl st along the side of the first "square". Make 3 ch (replaces 1 dc). Crochet 3 dc. Make 1 sl st in the upper corner of the "square" next to it.

Now crochet the row as normal until you reach the last "square".

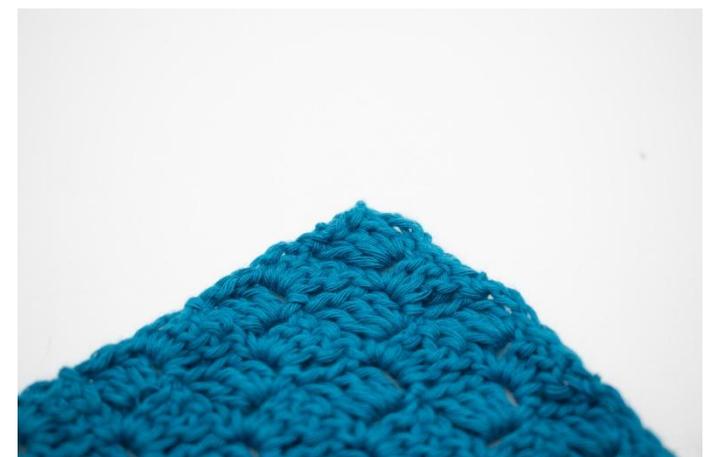

When you reach the last "square" on this row, finish as such:

Make 1 sl st in the upper corner of the "square" before. Now there is 1 "square" less on the row.

Repeat decreasing the rows until you have 1 "square" left. Turn your work and make sl st along the last square up to the corner. Cut the yarn and weave in the ends.

Edging - made in Rainbow Cotton 8/4.
