Happy knitting!

## Explanation

**1 st inc:** Pick up chain between sts and knit through back loop.

## Body

Cast on 109 (121, 132, 143) sts on circular needle 32" (80 cm)/ size 11 (8 mm) and knit in the round in rib.

Knit 3 rounds of rib. k1, p1.

## Increase-round

Continue in stockinette st and increase on the first round like this: Knit \* k 11, 1 inc\*, repeat \* to \* around = 11 (11, 12, 13) sts inc = 120 (132, 144, 156) sts.

Knit around in stockinette st until the work measures approx. 15.4" (15", 14.6", 14.2") or 39 (38, 37, 36) cm.

Place a marker in each side = side seams = 60 (66, 72, 78) sts for resp. back and front.

Here the work is separated for armholes. Place the sts for the front on a circular needle and let them rest and knit the back on straight needles.

## The back

Knit back and forth in stockinette st on straight needles.

Knit straight up until the armhole measures 7.1" (7.5", 7.9", 8.3") or 18 (19, 20, 21) cm. Finish with a wrong side row.

## Right shoulder (when the sweater is worn)

Shape the shoulder and neck using short rows:

Knit 24 (27, 30, 33) sts, turn, knit a turn st (TS),

\*purl to 7 sts back at shoulder, turn,

knit 1 TS, knit to 3 sts left at the neck, turn,

knit 1 TS, purl to 14 sts left at shoulder, turn,

knit 1 TS, knit to 6 sts left at the neck, turn,

knit 1 TS, purl across as the turn sts are knitted as 1 st, turn,

cast off these 24 (27, 30, 33) sts as the turn sts are knitted as 1 st\*.

Place a marker 18 (21, 24, 27) sts in from each side for shoulder and the 6 are for neck.

## Neck

Place 12 sts on a stitch holder and knit across.

## Left shoulder

Finish left shoulder like right shoulder from \* to \*.

Place a marker 18 (21, 24, 27) sts in from each side for shoulder and the 6 are for neck.

## Front

Knit the front straight up in stockinette st until the armhole measures 3.5" (9 cm). Finish with a wrong side row.

Knit 21 (24, 27, 30) sts, place 18 sts on a stitch holder for neck, finish the knit row.

The right and left side of the front are finished separately.

### Right front (when the sweater is worn)

Decrease in the neck side like this:

1st row: purl

2nd row: k2tog tbl, knit across.

Repeat these 2 rows until you've decreased 3 sts = 18 (21, 24, 27) sts left for shoulder.

Knit straight up until the armhole measures 7.1" (7.5", 7.9", 8.3") or 18 (19, 20, 21) cm. Finish with a wrong side row.

Cast off.

### Left front (when the sweater is worn)

Decrease in the neck side like this:

1st row: purl

2nd row: knit to 2 sts left, k2tog.

Repeat these 2 rows until you've decreased 3 sts = 18 (21, 24, 27) sts.

Knit straight up until the armhole measures 7.1" (7.5", 7.9", 8.3") or 18 (19, 20, 21) cm. Finish with a wrong side row.

Cast off.

Sew the shoulder seams together.

## Sleeves (knitted top-down)

Knit up approx. 44 (46, 48, 50) sts in the armhole on a size 10 (6 mm) needle. Place a marker at the beginning of the round.

Switch to a size 11 (8 mm) needle and knit stockinette sts as you decrease 1 st on each side of the marker with 2 sts between them.

Decrease for every 2" (5 cm) until you have 32 (32, 34, 36) sts. Knit straight up until the work measures approx. 15" (38 cm).

Knit 3 rounds of rib: k1, p1.

Cast off in rib.

Knit the other sleeve just the same.

## Neckband

On a size 10 (6 mm) needle, knit up sts from the right side of the neckline and the sts from the stitch holders.

Knit 1 round.

Cast off loosely knitwise.
