Sweater

BODY

Body

Change to circular needle 7 mm and continue in stockinette stitch.

Continue until piece measures 20 (20, 21, 21, 22) cm.

Begin stripe pattern A

Work 1 round with color 101 and 1 round with color 15.

Repeat these 2 rounds of stripes until this part measures 5 cm and finish with color 15.

Change to color 101 and continue until piece measures 45 (45, 46, 46, 47) cm = 20 cm with color 101.

Begin stripe pattern B

Repeat these 2 rounds of stripes until this part measures 5 cm. Finish with color 101 = 50 (50, 51, 51, 52) cm.

Insert a marker at the beginning of the round and in the middle of the round = 60 (66, 72, 78, 84) stitches on back- and front piece.

NB From here you work the yoke and both sleeves in one color.

Bind off for armhole

Change to color 25.

Work until 3 (3, 4, 4, 5) stitches before marker, BO 6 (6, 8, 8, 10) stitches, repeat from * - * on the other part of the sweater = 54 (60, 64, 70, 74) stitches on each part.

Put piece aside and work both sleeves.

Work 5 cm rib: *k1, p1*. Repeat from * - * on entire round.

Change to double pointed needle 7 mm and continue in stockinette stitch.

Work 1 round. Insert a marker at the beginning of the round.

Begin increasing

Work until 1 stitch before marker, increase 1 stitch, k2, increase 1 stitch, work the rest of the round = 2 stitches increased.

Put piece aside and work the other sleeve in the same.

Yoke

Slip sleeves and body on same needle as follows: back piece, sleeve, front piece, sleeve = 200 (216, 228, 244, 252) stitches.

Insert a marker in each transition between the pieces = 4 raglan seams.

Continue in stockinette stitch. Work 1 round.

Raglan decreases

1st round: k1, k2tog, *work until 3 stitches before next marker, k2tog, k2, k2tog*, repeat from * - * a total of 3 times, work until 3 stitches before next marker, k2tog, k1 = 8 stitches decreased.

2nd round: knit all stitches.

Repeat these 2 rounds until there are 28 (30, 32, 34, 36) stitches on the back- and front piece and 20 (18, 18, 16, 16) stitches on each sleeve = 96 (96, 100, 100, 104) stitches.
