- Begin working pattern i color A and color B (see diagram). Remember that the diagram is read from the bottom right corner to the top left corner.
- The diagram is repeated 18 (20) 21 (22) times on the round. Switch to the 80 cm circular needle when the 40 cm needle gets too short.

- Place a marker under the sleeves, in the middle of the new cast on sts.
- Continue in stockinette for 5 cm.
- Decrease around each marker like so:
After the first marker, k2tog, k until 2 sts before next marker, ssk, slip marker, k2tog, k until 2 sts before next marker, ssk.

You now have 134 (148) 156 (170) sts for the body.
