Edge sts (over 3 sts)

Right side: Slip the first st knitwise, ssk, work pattern until there are 3 sts left on the needle, k2tog, p1.

Wrong side: Slip the first sts, p all sts.

NB Make sure not to tighten the yarn when slipping the first edge st.

Pattern instructions

Cast on 305 (365) sts on a 3.5 mm needle.

Work 6 rows of garter stitch.

Continue according to the diagram on p. 4.

NB Work the edge sts at the start and end of each row as described above. These sts are not shown in the diagram.

The pattern repeat is marked with a red/bold square.

Row 1 of diagram (WS): purl.

Row 2 of diagram (RS): Make edge sts, work as pattern describes, work edge sts.

Continue following the diagram until you have 9 sts left on the needle.

Finish the last pattern repeat as such

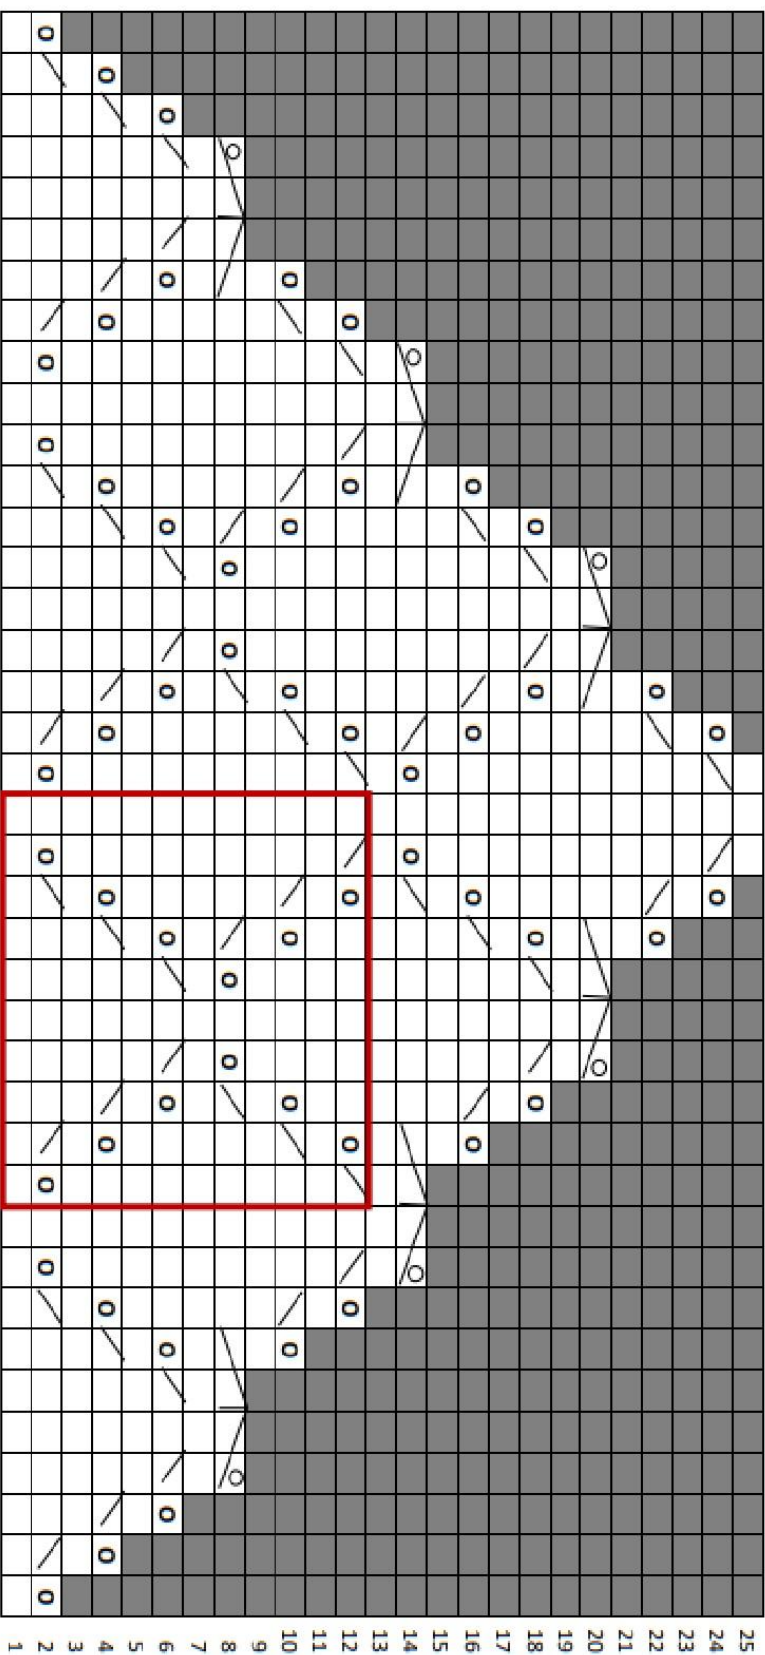

Row 26 (RS): Work 3 edge sts, work 3 sts together (slip 1 st, k2tog, lift slipped st over that), k2tog, p1 = 6 sts left.

Row 27 (WS): Slip 1 st, p5.

Row 28 (RS): Slip 1 st, work 4 sts together (slip 1 st, k3tog, lift slipped st over that), p1 = 3 sts left.

Row 29 (WS): Work 3 sts together (slip 1 st, k2tog, lift slipped st over that) = 1 st left.

Cut the yarn, pull through last st and weave in end.

k on RS, p on WS

these sts do not exist, as you decrease on both sides of the work
