Instructions

Back Panel

Start| Ch 87 (95, 103, 111, 119, 127, 135, 143) sts

R1| Ch 3, 1 dc in the 6th st from the hook, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

R2| skip 1st st, 1 dc in next, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

R3 – R25| Repeat R2.

*If you like the t-shirt to be longer, make more rows on this section.

After the last row, cut the yarn, because you will start the next row with a chain row, that will become the sleeve.

R26| ch 10 sts, 1 dc in the 1st st of the worked square, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row, ch 13 and turn.

R27| 1 dc in 6th st from the hook, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn

R28| skip 1st st, 1 dc in next, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

Repeat R28 until you have for the armhole depth 14 (16, 18, 18, 19, 21, 22, 22) rows.

The back panel is done. You will start working on the front panel continuing the back panel.

Front Panel

Before starting the work on the front panel, you have to mark the neck line, because you will work a few rows just on the shoulder stitches.

Count all the windows you have in width (the 1 ch spaces) and mark in the middle 21 (21, 23, 23, 25, 25, 25, 27). You will have left for shoulders 16 (18, 19, 21, 22, 24, 26, 27) windows.

Now starting from where your yarn is, after finishing the back panel, work 2 rows in the same stitch pattern only on the shoulder sts. 2 rows on each side.

R1| Rejoin the yarn, in the right side of your work, *ch 4, skip the next space, 1 dc in the next dc* Repeat until you finish the shoulder sts, then ch 41 (41, 45, 45, 49, 49, 49, 53), 1 dc in the first dc of the other side shoulder sts, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

R2| skip the 1st st, 1 dc in next, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

Repeat R2 until you have in total for the armhole 12 (14, 16, 16, 17, 19, 20, 20) rows.

Next you will have to decrease the armpit stitches that you added when you started working the armhole depth section on the back side.

R13 (15, 17, 17, 18, 20, 21, 21)| Start the row with 11 sl sts (to skip all 5 windows at the beginning), ch 4, skip next st, 1 dc in next st, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row, except the last 5 windows. Ch 4 and turn.

R14 (16, 18, 18, 19, 22, 22)| skip 1st st, 1 dc in next, * ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

Repeat **R14 (16, 18, 18, 19, 22, 22)** until you have the desired length, or until you have 19 rows in total.

Assembling

Fold the piece in half and sew the sides including the armpit sts, following the diagram below:

I didn't sew to the end of the front panel and let a small split on the sides.

Hoodie

After assembling you can start working on the hoodie.

Start| Join the yarn in the left dc of the middle window of the neck line.

R1| ch 4, skip the next st, 1 dc in next st, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. The end of the row, will be the right dc of the same middle window of the neck line. Ch 4 and turn.

R2| skip the 1st st, 1 dc in next st, *ch 1, skip next st, 1 dc in next st.* Repeat to the end of the row. Ch 4 and turn.

Repeat R2 until you have in total 24 rows or until the hood has the desired length.

To finish the hood fold it in half, vertically and join the sides.

Edging

For all parts of the t-shirt, bottom and sleeves (except for the hood), you are working 2 rounds of edging: 1 row in single crochet and 1 row in back post single crochet.

For the hood you will work one single row in single crochet.

To Finish

Weave in all ends and block to measurements.

Enjoy!
