

# Cecilie - Blouse

No. 2004-203-1114

## Materials

3 (4, 5, 6, 7) skeins Kid Silk col. 28

Circular needle 60 and 80 cm 3 mm  
Circular needle 60 and 100 cm 3,5 mm  
Optionally a crochet hook 3 mm for the neck edge

## Yarn

**Kid Silk**, Hobbii  
70% Kid Mohair, 30% Silke/ 25 g = 195 meters

## Gauge

25 stitches x 33 rounds = 10 x 10 cm  
in stockinette stitch on needle 3,5 mm

Purchase your yarn here

<http://shop.hobbii.com/cecilie-blouse>

## Size

S (M, L, XL, XXL)

## Measurements

Width: approx. 47 (52, 58, 63, 68) cm  
Length: 51 (52, 53, 55, 57) cm

## Pattern Information

This blouse is a wide model with positive ease and short sleeves. The blouse is worked top down, and you begin with an edge in garter stitch. In the next 2 rounds, you increase stitches for the yoke. After the yoke, you separate the piece in body and sleeves. The pieces are hereafter worked separately. You will decrease on both sleeves and body before finishing with an edge in garter stitch.

Happy knitting!

## Yoke

### Neck edge

CO 108 (118, 128, 138, 148) stitches on circular needle size 3 mm, 80 cm. Using the Magic Loop-technique, work in the round in garter stitch: knit 1 round and purl 1 round, continue until you have worked 8 rounds.

Change to circular needle size 3,5 mm and work in the round in stockinette stitch, and increase in the first 2 rounds, as follows:

**1<sup>st</sup> round:** \*k1, yarn over\*, repeat from \* to \* on entire round = 216 (236, 256, 276, 296) stitches.

**2<sup>nd</sup> round:** \*k1, yarn over, k yo tbl, yarn over\*, repeat from \* to \* on entire round = 432 (472, 512, 552, 592) stitches.

**3<sup>rd</sup> round:** \*k1, k yo tbl\*, repeat from \* to \* on entire round = 432 (472, 512, 552, 592) stitches.

Continue in stockinette stitch until piece measures 19 (20, 21, 22, 23) cm.

### Now piece is separated in body and sleeves.

Insert a marker at the beginning of the round.

Insert a marker after 98 (106, 110, 114, 120) stitches to mark the sleeve, insert the next marker after 118 (130, 146, 162, 176) stitches to mark the body. Repeat this one more time.

## Sleeves

Work the stitches for the sleeves in the round. Slip remaining stitches on a stitch holder or separate needle to rest. Work approx. 2 cm stockinette stitch in the round on the sleeve.

### Sleeve edge

Change to circular needle size 3 mm and decrease evenly until you have 70 (74, 78, 82, 86, 90) stitches (approx. k2, k2tog).

Knit 1 round and purl 1 round until you have worked 4 ribs in garter stitch.

Bind off.

Work the other sleeve in the same way.

## Body

With circular needle 3,5 mm, work in stockinette stitch over the 236 (260, 292, 324, 352) stitches for the body.

Continue until piece measures approx. 30 cm from armhole, or to a desired length.

### Edge on body

Change to circular needle size 3 mm and decrease evenly until you have 180 (202, 226, 252, 276) stitches left (approx. k2, k2tog).

Knit 1 round and purl 1 round until you have worked 4 ribs in garter stitch.

Bind off.

**NB!** You can crochet an edge in single crochet around the neck edge, to make a neat edge.
