Instructions

Top Part

Start| Ch 96 (100, 116, 124, 132) sts. Join with a sl st to make a circle

R1| Ch 2, 1 hdc in the same st, 1 hdc in each st, join with a sl st with 1st hdc, ch 2 and turn.

Repeat **R1** until you have **4 (4, 6, 8, 10) rows** in total.

Next we will split the work in half and start working the front and back panel separately.

Use the beginning of the round as first reference and use a stitch marker and place it in st number **48 (50, 58, 62, 66)**. For each side, front and back, you should have **48 (50, 58, 62, 66) sts**.

Front Panel

R5 (5, 7, 9, 11)| 1 dec, 1 hdc in each st until you have 2 sts left (the last st is the marked st), 1 dec, ch 2 and turn.

Repeat **R5 (5, 7, 9, 11)**| for **5 (5, 8, 9, 9) rows**. After finishing decreasing you should have left **38 (40, 42, 44, 48) sts**.

R10 (10, 15, 18, 20)| 1 hdc in each st, ch 2 and turn.

Repeat **R10 (10, 15, 18, 20)**| until you have **14 (16, 20, 23, 28) rows** in total.

Next we will shape the neckline. Use 2 stitch markers to mark the middle stitches.

For all sizes

Count for left and right side 16 sts and put a stitch marker into the 16th st.

In the middle you will have left **6 (8, 10, 12, 16) sts**.

Next, we will work right side and left side separately. Left side is A and right side is B

Continue from where your yarn is.

Side A

R14 (16, 20, 23, 28) | A 1 hdc in each st until you have 2 sts left, 1 dec, ch 2 and turn.

R15 (17, 21, 24, 29) | A 1 dec, 1 hdc in each st.

Repeat previous 2 rows for 8 rows. You will have **22 (24, 28, 31, 36) rows** in total and 8 sts left.

Fasten off.

Side B

Join the yarn into the second st marker and ch 2.

R14 (16, 20, 23, 28) | B 1 dec, 1 hdc in each st, ch 2 and turn.

R15 (17, 21, 24, 29) | B 1 hdc in each st until you have 2 sts left, 1 dec, ch 2 and turn.

Repeat previous 2 rows for 8 rows. You will have **22 (24, 28, 31, 36) rows** in total and 8 sts left.

Fasten off.

Back Panel

Start| Rejoin yarn in the next available st, after the front panel edge.

R5 (5, 7, 9, 11)| 1 dec, 1 hdc in each st until you have 2 sts left, 1 dec, ch 2 and turn.

Repeat **R5 (5, 7, 9, 11)|** for **5 (5, 8, 9, 9) rows**. After finishing decreasing you should have left **38 (40, 42, 44, 48) sts**.

R10 (10, 15, 18, 20)| 1 hdc in each st, ch 2 and turn.

For all sizes

Next, split the back panel in half, skipping 2 sts in the middle and work left and right side separately until you will have the same number of rows as for the front panel. See photo below. Join the shoulders using single crochet sts.

Ruffles

The ruffles are worked transversal, starting from the bottom front and ending on the bottom back. Count from the left side and right side 10 sts on back and front and place a stitch marker.

To make it easier to follow a straight line you can use a yarn needle and some contrasting yarn to trace a line where your stitches have to be placed.

The ruffles are worked in V st and you will make 1 V st around each st.

When working the ruffles on the right side of the blouse, start working from the bottom back. When working on the left side, start the row on the bottom front.

For all sizes

Start | Rejoin yarn around first st, ch 4

R1 | *1 V st around the next st, ch 1* Repeat to the end of the row until you have 1 st left, 1 dc in last st, ch 4 and turn.

R2 | *1 V st in the next V st, ch 1* Repeat to the end of the row, 1 dc in the 3rd st of the starting ch.

R3 – R4| Repeat R2.

At the end of the **R4** change to red and make 1 row in sc.

Fasten off.

Repeat the same pattern on the other side.

After finishing the ruffles, the top part is done. An edging will be added on the neck line. You can work the edge now, or at the end. You can find the pattern for edging, farther below.

Bottom Part (Skirt)

Start| Join the contrasting color on one side of the dress. Ch 1

R2| ch 4, 1 dc in the same st, ch 1, skip 1 st, *1 V st in next, ch 1, skip 1* Repeat to the end of the round, join with a sl st with the 3rd st of the starting ch.

Each of the next rounds will start in the ch sp, between the first ch 3 and the next dc.

R3| Ch 4, 1 dc in the same ch sp, *1 V st in the next V st, ch 1* Repeat to the end of the row, join with a sl st with the 3rd st of the starting chain.
