Pattern information

The jumper is worked in 1 strand Unicorn and 1 strand Kid Silk = 2 strands.

The jumper is worked top down. You work short rows in the neckline for a better fit.

The jumper has raglan sleeves.

After the yoke, you split the piece into body and sleeves. If only one number is mentioned, it applies for all sizes.

Pattern

Garter edge

CO 96 stitches on circular needle size 3,5 mm (applies for all sizes) and work in the round.
Purl 1 round.

Marking raglan increases

Insert a marker around the stitches, that will shape the raglan as follow:

Insert a marker around 1st stitch, then count 10 (10) 8 (8) 6 stitches and insert a marker around the next stitch, count 36 (36) 38 (38) 40 stitches, insert a marker around the next stitch, count 10 (10) 8 (8) 6 stitches, insert a marker around the next stitch, count 36 (36) 38 (38) 40 stitches until 1st marker.

You now have 10 (10) 8 (8) 6 stitches for each sleeve and 36 (36) 38 (38) 40 stitches for the front and back piece and 4 marked stitches.

The round begins in between back piece and left sleeve.

Yoke

The neckline is shaped working short rows.

Insert a marker in the middle of the front piece.

Change to circular needle size 5 mm and work German Short Rows and increase for the raglan as follows:

1st row, RS: knit until there are 12 stitches left before marker in the middle of the front piece, wrap and turn.

2nd row, WS: purl until there are 12 stitches left before marker in the middle of the front piece, wrap and turn.

3. needle, RS: *knit until raglan marker, increase 1 stitch, k1, increase 1 stitch*, repeat from * to * in all 4 raglan seams, knit until there are 8 stitches left before marker in the middle of the front piece, wrap and turn = 8 stitches increased.

NB Work wrapped stitches as one stitch.

4th row, WS: Purl until there are 8 stitches left before marker in the middle of the front piece, wrap and turn.

5th row, RS: *knit until raglan marker, increase 1 stitch, k1, increase 1 stitch*, repeat from * to * in all 4 raglan seams, knit until there are 4 stitches left before marker in the middle of the front piece, wrap and turn.

6th row, WS: Purl until there are 4 stitches left before marker in the middle of the front piece, wrap and turn.

7th row /round, RS: Work stockinette stitch in the round over alle stitches and continue increasing for the raglan.

NB After a few rounds, 1 stitch between the increases in each raglan will be visible.
You can choose to move the markers as you go.

Continue working in stockinette stitch and increase in every 2nd round until you have 50 (52) 54 (58) 60 stitches on each sleeve and 76 (78) 84 (88) 94 stitches on the front and back piece, plus the 4 market stitches. Finish at the beginning of the round after a round with no increases = 256 (264) 280 (296) 312 stitches in total.

NB If you want to make the jumper larger, you can increase a few more times. Don't forget, that you may need extra yarn.

Now separate the piece in sleeves and body.

Slip the stitches for each sleeve and the marked stitches on to a stitch holder = 52 (54) 56 (60) 62 stitches for each sleeve. Work the body over the remaining stitches as follows:
Slip the stitches for the first sleeve on to the stitch holder, CO 8 new stitches, work front piece, slip the stitches for the second sleeve on a stitch holder, CO 8 new stitches and work the back piece.

Body

Work in the round in stockinette stitch over front and back piece = 168 (172) 184 (192) 204 stitches. Work until the piece measures approx. 38 cm from armhole.

Garter edge

Change to circular needle size 3,5 mm.

Purl 1 round.

Bind off loosely.

Neck edge

To reinforce the edge, crochet 1 round sc around the neck edge.

Sleeves

Slip the stitches from one sleeve back on a circular needle size 5 mm and pick up 8 stitches from the armhole = 60 (62) 64 (68) 70 stitches.

Work stockinette stitch in the round using the Magic Loop-technique. Insert a marker in the middle of the 8 new stitches in armhole.

Knit 4 rounds.

Decrease round: Work until 3 stitches before marker, k2tog, k2, k2tog tbl, work rest of the round = 2 stitches decreased.

Continue decreasing in every 8th round until you have 44 (46) 48 (50) 52 stitches.

Continue until sleeve measures approx. 45 cm from armhole.

Decrease 6 stitches evenly on the next round.

Garter edge

Change to needle 3,5 mm.

Purl 1 round.

Bind off loosely.

Work the other sleeve in the same way.
