Happy knitting!

## Moss stitch

Work \*k1, p1\*, repeat \*-\*.

Knit all purl stitches and purl all knit stitches.

## Pattern

### Scrunchie

CO 121 stitches and work in the round.

Work moss stitch in a spiral: \*k1, p1\* until piece measures 12 cm.

**NB!** Because you have an uneven number of stitches, you can just continue working in the round.

Bind off very loosely in moss stitch.

### Assembly

Cut the rubber band in a suitable length.

Fold the scrunchie, so the CO edge and BO edge are facing each other, and you have a tube.

Crochet the two edges together with single crochet stitches, don't forget to pull the rubber band through the tube and sew it together before the last bit is crocheted together.
