Pattern information

The shawl is knitted from the tip and up. It is knitted back and forth on the circular needles in garter stitch.

There is an eyelet pattern along the slanting sides.

Attach the fringes in every other hole.

TIP:

Cut the fringes before switching to the last skein so you have enough yarn for binding off.

Happy knitting!

Pattern

Cast on 3 sts and knit garter st.

Knit 1, yarn over, knit across = 4 sts.

Repeat this row until you have approx. 140 sts on the needles.

Bind off loosely.

Fringes

Cut approx. 120 pieces of yarn of approx. 10" (25 cm) length.

Take 2 strands, fold them in the middle and place the fringe in the hole at the tip.

Now, place 1 fringe in every other hole along the slanting sides.
