Pattern information

The vest is knitted in the round from the bottom and up.

It is divided at the armholes and from here the front and back is knitted separately.

Short rows are knit on the front piece around the neckline and shoulders for a better fit.

The vest is knit with 2 strands at the same time; 1 strand of Tencel Bamboo Fine and 1 strand of Kid Silk.

Where only one number or measurement is written, it goes for all sizes.
