Vintage

- a wonderful wool yarn with bamboo

The bamboo adds softness and lightness to the yarn, and the wool contributes with its well-known excellent durability.

Wool is a sturdy material that requires very little washing and lasts for a very long time. It is one of the reasons why some consider wool to be among the most sustainable materials.

Vintage is perfect for crocheting and knitting small animals that you want to give a "woolen" look. It is also suitable for a nice sweater.

The given amounts of yarn are for guidance only.

It is recommended that the filling continues on an ongoing basis as the work progresses.

Mounting of the safety eyes:

The eyes are inserted, and the rear stops to the eyes are pushed from the inside.

The rear stops can and should be a little hard to plug in to ensure that they are sticking well.

ABBREVIATIONS AND DEFINITIONS

st	Stitch
s1	Slip 1 st
k	Knit
p	Purl
1 inc	1 increase (lift the loop between the stitches from the back with the left needle. Knit it as a knit stitch).
k2 tog	Knit 2 stitches together
k3 tog	Knit 3 stitches together
p2 tog	Purl 2 stitches together
SSK	Slip, slip, knit (decrease). Slip 2 stitches knit-wise one at a time. Insert left needle from the right through front loop of both sts and k2 tog.
PSSO	Pass slipped stitch over
* ... *	Repeat what is shown in these stars to the end of the row (or repeat as indicated).
(..)	At the end of the line, specifies the number of sts on the needle.

NB! *The teddy bear is knitted in stocking stitch.*

The cast on and first two rows are worked in Blue. Continue working alternately 2 rows Off-white and 2 rows Blue. Always change colour at the beginning of a purl row.

Be sure that you knit the edge stitches tight enough, especially when changing colour, in order to create a nice edge for joining.

Cut the yarn 50 cm from the work and pull it through the stitches. Tighten. Position the eyes 3 cm from the tip of the nose and with about 3 cm in between. Sew in the ends and sew the head together. Leave a hole open, stuff the head with filling and sew the hole together. Embroider eyebrows, nose and mouth with the black sewing thread. Shape the head by pulling a piece of yarn from the underside of the head (the part that will be sewn to the body) up to the underside of the one eye. Sew the yarn around one stitch and pull it back again. Tighten the thread to form an eye socket and fasten the threads by tying a knot. Repeat for the other eye. Sew the head onto the body.

17.)	purl	(4)
18.)	SSK, k2 tog	(2)
19.)	p2 tog	(1)

Cut the yarn and pull it through the stitch using a darning needle. Make another identical heart. Sew the two hearts together with small overcast stitches leaving a hole open. Stuff the heart with filling, sew the hole together and fasten the ends.

Good to know

Needle Size ≠ Tension

Knitters knit very differently: some knit with a needle size 2,0 mm and obtain the same size of design quality as a person who knits with a needle size 4,0 mm. We owe this knowledge to the team of knitters who join us.

The key to knit a specific size is a lot about the knitting style/hands/skills, rather than the size of needles.
