Assembling

Head:

Sew the head onto the body. The head must point downwards a little. It can be helpful to pin the head to the body first. Sew through the stitches of the body and then through the head.

And finally, stuff some extra fiberfill into the neck before closing it completely to avoid a wobbly head. Weave in ends thoroughly.

Ears:

First, sew the pink piece onto each ear. Sew the ears on approx. 10 rows behind the eyes and with 8-10 stitches in between. Weave in ends thoroughly.

Leg:

Place the legs under the tummy. They should point outward a bit.

Sew on the legs about 3 rows from the beginning of the body. Weave in ends thoroughly.

Arm:

Sew on the arms about 1 row from the top of the neck. Weave in ends thoroughly.

Mane:

Pin the four pieces of the mane to the head to make them stay where you want them. Then stitch each end and the middle of the pieces onto the head. And if Ea is made for a very small child, you may want to stitch the pieces in a couple more places. Weave in ends thoroughly.

Tail:

Sew the four pieces onto the middle of the back side. Weave in ends thoroughly.

Enjoy!
