RUFFLE

Pick up sts along the neckline on one of the circular needles = about 147 (150, 156, 159, 162, 168, 171) sts. The number of stitches should be divisible with 3.

Break the yarn and let rest.

Work 5 cm of rib pattern: *k2, p1*, repeat between ** until end of round.

Work 1 round: *k2tog*, repeat between ** until end of round = 147 (150, 156, 159, 162, 168, 171) sts.

Place the circular needle with the ruffle over the circular needle with the neckline with right sides facing towards you for both pieces.

Knit two sts together, taking one st from each needle, while binding off in k.

DRAWSTRING

Cut a piece of elastic ribbon that is about 15-20 cm shorter than the circumference of the top. Measure yourself and make sure that the elastic is not too tight on your body, but just creates a nice bagginess. Fold up the cast-on edge of the top about 18mm and sew the edge to the wrong side, leaving a small section open. Thread the elastic through the channel, sew its ends together and sew up the last part of the channel.
