Pattern

WAISTBAND

Co 96 (112, 128, 136) sts with col **A** on circular needle US 2.5 (3 mm). Work in st st in the round using the magic loop technique until the waistband measures 2.4" / 6 cm.

Divide the sts in preparation for lace pattern increases like this: Place a marker for every 12 (14, 16, 17) sts = 8 increase markers.

SKIRT

Change to circular needle US 4 (3.5 mm).
Work 4 rnds in st st.

Then inc on every 4th rnd like this:

Rnd 1: *K until you reach a marker, yo, move the marker to the right needle, k1, yo*, repeat from * to * throughout the rnd = 16 incs = 112 (128, 144, 152) sts.

Rnd 2: K all sts, including the yos.

Rnds 3-4: K all sts.

Repeat rnds 1-4 until the work measures 10.2" (11.8", 13.8", 14.6") / 26 (30, 35, 37) cm.

End with rnd 4 of the pattern.

NB! The incs create a vertical pattern.

SKIRT EDGE

Change to color **B**.

NB Count the sts and dec evenly to reach a number of sts divisible by 3.

Work 1 rnd in st st.

Folded edge

Now the folded edge is worked like this: *Yo, k1, k2tog*, repeat from * to * throughout the rnd.

Rnd 1: K all sts, including the yos.

Rnd 2: K all sts.

Rnd 3: *K until 2 sts before a marker, k2tog, move the marker to the right needle, k1, k2tog*, repeat from * to * throughout the rnd.

Rnd 4: K all sts.

Bo.

FINISHING

Fold the waistband 3 cm towards the WS and sew it on to create a casing, but leave a piece of it open.

Pull the elastic band through the casing, sew the elastic band together and sew together the last piece of the casing.

Fold the bottom edge towards the WS in the folded edge and sew it on.
