Pattern

ARM

CO 38 (40) 42 stitches using the smaller needles (US 7) and join in the round.
Knit in rib pattern *K1, P1* until the work measures 4 in.

Change to the larger needles (US 8). Place a marker at the beginning of the round. Knit in stockinette.

On the first round, increase evenly to 58 stitches.

Increasing

On each side of the marker, increase as follows:
Knit to 1 stitch before marker *M1, K2, M1*

Increase every ½" until the arm measures 19" = 27 increases = 112 stitches

BODY

CO 15 (16) (17) sts to make the first side seam. You will now knit flat in stockinette.

Turn the work and purl back across these new stitches and across the arm stitches.

CO 15 (16) 17 sts to make the second side seam. 142 (144) 146 sts.

Knit back and forth in stockinette until the work measures 5 in. from the side seams.
Place a marker at the middle of these stitches to mark the top of the shoulder.

Now you are ready to create the neck opening.

NECK

With RS facing:

Bind off 1 stitch on each side of the marker.

The work is now divided in two so the front and back are knit separately. They will join again for the next shoulder.

FRONT NECK SHAPING

Decreasing

Row 1: K1, K2tog, K to the end.

Row 2: P across

Row 3: K1, K2tog, K to the end.

Row 4: P across

Repeat these rows until you have decreased by 16 sts and the neck opening measures approx. 5 inches.

Increasing

The stitch count will increase again, so the neck shaping is the same on both sides.

On all RS rows, increase: K1, M1, K across

On all WS rows: P across

Continue increasing in this manner until you have increased by 16 sts.

Place front stitches on scrap yarn to hold while you knit the back.

BACK NECK SHAPING

Purl across first row of back stitches.

Decrease similar to the front, but only every 4th row and on the WS of the work:

Row 1: K across

Row 2: P1, P2tog, P to the end

Row 3: K across

Row 4: P across

Repeat these 4 rows until you have decreased by 9 sts and the neck opening measures approx. 5 in.

The stitch count will increase again, so the neck shaping is the same on both sides, increasing on every 4th row.

The work will be joined again so it is worked in one piece.

CO 2 sts between the front and back pieces.

Knit flat in stockinette until the piece measures 5 in. from where the pieces were joined.

Bind off stitches from the side seam and join in the round to knit the arm.

ARM

Place a marker under the arm to mark the beginning of the round.

On each side of the marker, decrease as follows:

K to 3 sts before marker *SSK, K2, K2tog*

Decrease every ½" until the arm measures 19" = 27 decreases = 58 stitches

On the next round, decrease evenly to 38 (40) 42 sts.

Switch to the smaller needles (US 7) and knit in rib stitch *K1, P1* for 4 in.

Bind off in pattern using a stretchy BO.

Sew the side seams together.

NECK AND WAIST RIB SECTIONS

Pick up stitches along the edge with the smaller circular needle (US 7)

Knit in rib pattern *K1, P1* for 2 in. On the first round K through the back loop, twisting the stitches.

Bind off in pattern using a stretchy BO.

Happy knitting!
