Now, sew together the last 6 sts. Sew through one of the loops of each of the last 6 sts.

Pull the thread to close the hole and weave in the end. With the extra strand of grey cotton yarn you can now embroider the grooves on the trunk. Insert the needle under the trunk and push it all the way up through the trunk to the right (with the head facing towards you).

Then insert the needle into the trunk 5 stitches to the left of where the needle came up.

DON'T push the needle all the way through the trunk but keep it inside the trunk. And then push it up again through the trunk 4 rounds further down the trunk to the right. Repeat the above steps until you have embroidered 5 grooves on the trunk. Weave in both ends under the trunk.

Now, embroider the eyebrows on Elliot between rnds 36 and 37. The eyebrows should be 2-3 stitches wide. You can use black cotton yarn 8/4 or black embroidery yarn for the eyebrows.

And you can use regular makeup to paint rouge on Elliot's cheeks.

DON'T cut the yarn but continue to crochet the ears together. Take a pink piece and a grey piece and place them with the right sides facing outward and the wrong sides facing each other. Insert your hook into ns on the grey part of the ear and into ns on the pink part of the ear. Yarn over and pull the yarn back through both earpieces. Continue all the way around. When you are back where you began, fold the ear in the middle to have the pink piece turn inward. Then you crochet the ear together with 8 sc followed by 1 sl st. Leave a long tail for sewing the ear onto the elephant. Sew the top of the ears onto the top of the head on rnd 43 with approx. 15 stitches in between.

## TAIL

Color: 015 Grey

Chain 25. Begin in the 2nd st from the hook and work 24 sc. Cut off the yarn but be careful to leave a long piece of yarn for sewing the tail onto Elliot on rnd 23.

Cut three strands of yarn. Insert your hook into the end of Elliot's tail by pushing the hook straight through the tail. Fold the three strands of yarn in the middle and catch the strands with your hook where the fold is and pull them through the stitch to create a loop. Then pull all the yarn tails through the loop and tighten. Trim the ends to a suitable length and use a small needle to split the yarn.

## TUFT OF HAIR

Color: 015 Grey

Cut three long strands of yarn. Insert your hook in the middle of the head between the ears by pushing the hook into the head and up through the stitch behind. Fold the three strands of yarn in the middle and catch the strands with your hook where the fold is and pull them through the stitch to create a loop. Then pull all the yarn tails through the loop and tighten. Trim the ends to a suitable length and use a small needle to split the yarn.

Enjoy!
