## PATTERN INFORMATION

The Teddy Bear pants are a pair of soft cozy pants made with different legs in contrasting colors. If the legs are too long, you can fold them up or down as the baby grows. The ultra-soft yarn wraps around the baby like a lovely soft teddy bear hug and keeps the little legs warm. The yarn comes in a variety of different colors making it possible to experiment with various contrasting colors.

## INFO AND TIPS

The Teddy Bear baby pants consist of two pieces of dense rib that are crocheted together in the middle, and they have a waistband with drawstring and elastic ribbon.

Make 1 turning chain at the end of each row, unless otherwise stated.

## PANTS LEG 1

This pants leg is worked alternately with *Grizzly (13)* and *Pastel Purple (04)*. Break the yarn and switch color after every other row.

Ch 21 (23) 25 + 1 turning chain.

Work 1 (2) 2 rows of 1 sl st in each back loop (21 (23) 25).

Work 1 row of 1 sl st in each back loop, then ch 37 (41) 45; (58 (64) 70) to continue the row.

Work another 35 (38) 40 rows of 1 sl st in each back loop.

Then work 1 row of 18 (20) 22 sl sts in back loop only, (2 sl sts in one back loop) 2 times, 1 sl st in back loop, turn (23 (25) 27).

Work another 1 (2) 2 rows of 1 sl st in each back loop (23 (25) 27).

NOTE: Row 1 is the middle of the front, and the last row is the middle of the back.

## PANTS LEG 2

*Pastel Purple (04)*.

Ch 21 (23) 25 + 1 turning ch.

Work 1 (2) 2 rows of 1 sl st in each back loop (21 (23) 25).

Work 1 row of 1 sl st in each back loop, then ch 37 (41) 45; (58 (64) 70) to continue the row.

Work another 35 (38) 40 rows of 1 sl st in each back loop.

Then work 1 row of 18 (20) 22 sl sts in each back loop, (2 sl sts in one back loop) 2 times, 1 sl st in back loop, turn (23 (25) 27).

Work another 1 (2) 2 rows of 1 sl st in each back loop (23 (25) 27).

NOTE: Row 1 is the middle of the front, and the last row is the middle of the back.

## WAISTBAND

*Grizzly (13).*

Ch 12 (14) 14 + 1 turning ch. Work another 59 (68) 72 rows of 1 sl st in each back loop.

Sl st the ends together to form a ring. Then fold the piece in half crosswise and crochet together with 1 sc in each row so that the ring becomes a tube 59 (68) 72). NOTE! Before working the last sc to close the tube, pull an elastic ribbon approx. 46 (48) 50 cm / 18,4" (19,2") 20" long through the waistband.

## ASSEMBLING

Lay the two pants legs with right sides facing each other and sew/crochet the crotch together; first in the middle of the front part and then in the middle of the back part. Then sew/crochet the pants legs together on the inner side, up along one pants leg, around and down along the other pants leg.

Pull the waistband down over the waist of the pants so that the seam on the waistband (59 (68) 72) is aligned with the waist of the pants. Sew/crochet the two pieces together with the wrong side of the pants facing you and the (59 (68) 72) sts evenly distributed around the waist of the pants.

Weave in all ends carefully on the wrong side.

**Enjoy!**
