Length: 47 cm (49, 51, 52, 54) / 18.5" (19.3",
20.1", 21.3")

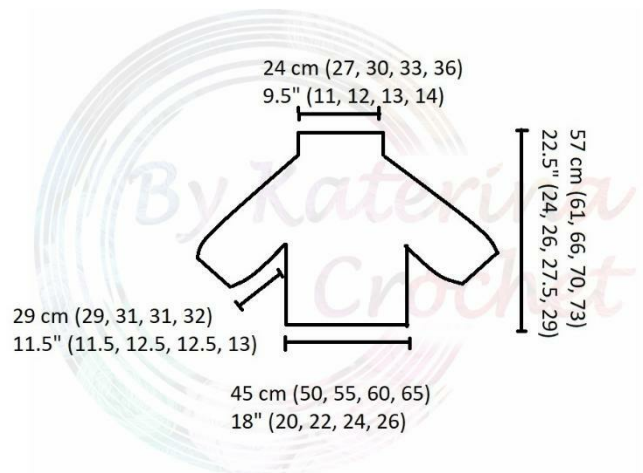

ABOUT THE PATTERN

The Rain Drops Sweater is a beautiful textured sweater that is so comfortable and cozy. Plus it's fashionable and eye catching. It's worked Top-Down using the Raglan Technique. We will start with the yoke part and then separate the sleeves from the rest of the body and work the 3 parts individually. This sweater has shorter sleeves and waist length, but can easily be adjusted to the desired measurements.

Crochet with 2 threads held together.

Pattern

INFO AND TIPS

The stitch pattern is 1 front post double crochet and 1 double crochet alternated.

The front post double crochet is made by inserting the hook from front to back and making the double crochet around the double crochet from the previous round. Below you will find the stitch chart with the first rounds of the yoke.

PATTERN

*For the entire yoke we are using the **A** color

*the entire sweater is worked in rounds only on the right side

Start with the foundation chain:

S = 68 sts (23 for the back side and for the front, 9 sts for each sleeve, 4 stitches for the corners)

M = 76 sts (25 for the back and front, 11 sts for sleeves, , 4 sts for corners)

L = 84 sts (27 for back and front , 13 for sleeves, 4 sts for corners)

XL = 92 sts (29 for back and front , 15 for sleeves, 4 sts for corners)

XXL = 96 sts (31 for back and front , 15 for sleeves, 4 sts for corners)

COLLAR

First we will work the collar.

*you can add the collar at the end if you want

Round 1

Ch 3, 1 dc in each st around.

Round 2

Ch 3, [1 FPDc in the next st, 1 dc in next]. Repeat to the end of the round. Sl st with the 3rd st of the starting chain.

Rounds 3 to 6

Repeat round 2.

YOKE

*the values for sizes M, L , 1X Land 2X L are written between brackets

Ch 3 at the beginning of the row counts as a first Dc

Round 1

Ch 3, (1 FPDc, 1 dc) in first 12 (12, 14, 14, 16), 1 inc in next (2 dc in the same st), (1 FPDc, 1dc) in next 9 (11, 13, 15, 15) sts, 1 inc in next, (1 FPDc, 1dc) in next 23 (25, 27, 29, 31) sts, 1 inc in next, (1 FPDc, 1dc) in next 9 (11, 13, 15, 15) sts, 1 inc in next, (1 FPDc, 1dc) in next 11 (13, 13, 15, 15) sts. Sl st with the 3rd st of the starting chain.

*after each increase put a stitch marker in the second stitch to know where you will have to make the increase on the next round.

Round 2

Ch 3, (1 FPDC, 1 dc) to the first corner (the marked st), 1 inc. Repeat to the end of the round.

*On this round you will have 3 dc in corner: 1 before the inc and 2 the increase itself. On the next round the dc before the increase will become a front post double crochet.

Next, we will repeat round 2, alternating 1 FPDC with 1 dc, and increasing with 2 dc in the second st of the previous round increase until we finish the yoke part and we have in total:

*not counting the collar rounds:

S = 20 rounds

M = 23 rounds

L = 26 rounds

XL = 29 rounds

XXL = 31 rounds

BODY

For all sizes

We will start the body section with 1 separating round.

The first 2 rounds of the body are made in the color **A**.

Round 1

Start the round as usual and work (1 FPDC, 1 dc) until you get to the first corner (the second dc of the increase) 1 dc in the corner, ch 17, skip the sts for the sleeve to the next corner, 1 dc in next corner.

Continue with the stitch pattern until you get to the next corner and proceed the same as in the other part. After the second join, continue with the stitch pattern to the end of the round. Sl st with the 3rd stitch of the starting chain.

Round 2

Ch 3, continue with the st pattern until you get to the joining ch. In each of the ch sts make 1 dc and then continue with the stitch pattern to the second chain and proceed the same.

Work the stitch pattern to the end of the round.

Round 3

Change the color. For a second color of the sweater I used 1 strand of **A** and 1 strand of **B**.

Ch 3, (1 FPDC, 1 dc) to the end of the round. Sl st with the 3rd st of the starting chain.

You will notice that the sweater has an odd shape. This is because we increase with only one st in the corners, but don't worry the sweater will mold perfectly on the shoulders.

Next all you have to do is to repeat round 3 until you have the desired length. You will have to change the color one more time using 2 strands of color **B**. Keep working to the desired length or until you have in total for the body:

S = 32 rounds (2 with **A**, 15 with **A** and **B**, 15 in **B**)

M = 32 rounds (2 with **A**, 15 with **A** and **B**, 15 in **B**)

L = 34 rounds (2 with **A**, 16 with **A** and **B**, 16 in **B**)

XL = 34 rounds (2 with **A**, 16 with **A** and **B**, 16 in **B**)

XXL = 36 rounds (2 with **A**, 17 with **A** and **B**, 17 in **B**)

After finishing the body, add one more round making 1 single crochet decrease in each 2 sts (2 single crochet worked together) to avoid the bottom of the sweater to curl in the exterior.

SLEEVES

*first 2 rounds are worked in **A**.

We will join the yarn at the armpit, in the middle dc of the 17 sts that we made when joining.

Round 1

Ch 3, (1 FPDc, 1 dc) to the end of the round. Sl st with 3rd st of the starting chain.

Next, repeat round 1 until you get to the desired length of the sleeve. With the color pattern, make the same number of rounds as for the body with color **A** and **A** with **B**. With color **B** you can make less or more rounds.

In total you can make for the sleeve:

S = 26 rounds (2 in **A**, 15 in **A** and **B**, 9 in **B**)

M = 26 rounds (2 in **A**, 15 in **A** and **B**, 9 in **B**)

L = 28 rounds (2 in **A**, 16 in **A** and **B**, 10 in **B**)

XL = 28 rounds (2 in **A**, 16 in **A** and **B**, 10 in **B**)

XXL = 29 rounds (2 in **A**, 17 in **A** and **B**, 10 in **B**)

At the end of the sleeve just repeat the same as we did on the body, make one more round with 2 single crochet together all around.

And that was it: a beautiful, cozy and fashionable sweater.

Enjoy!
